Greetings St. Mark's family!

While Phil and I were on vacation last week, we had a discussion about how nice it would be to live in a place where it was always sunny and warm. He said that he wouldn't miss the cold, I had to disagree with my husband on this one. I love the different seasons and how they show the beauty and promise of God's creation. It's also a reminder that we have different seasons of the soul. Springtime births faith and hope, summer is a time for maturing in our faith, the fall brings a harvest of blessings, and the winter becomes dark, cold and dreary and we wonder if our faith will be able to grow again. To me, Lent is very much like the winter time—it's a time of slowing down, being more quiet, contemplative, and repentant of the darkness in our souls. But, something miraculous happens as we move towards Easter—spring does come, hope is restored, our darkness is redeemed and faith comes alive as we experience the Risen Christ once again.

What are you going to do this Lenten season to prepare for Easter and the celebration of Jesus' resurrection? There are several opportunities to stay focused on Jesus during these 40 days. You can commit to spending a certain amount of time each day in prayer and reading God's Word. Commit to attending worship services each week as we focus on the life of Jesus. You can choose something to fast from, such as TV, your phone, or an activity that pulls you away from spending quality time with God. You might want to take on a particular ministry during this time, helping in the community or serving somewhere in the church. You can also participate in our Monday night Bible study starting on March 6<sup>th</sup> at 6:30 p.m. or attend the Wednesday mid-week communion service at noon starting on Ash Wednesday, March 1<sup>st</sup>. I want to encourage you to first pray about it, then make a plan and commit to following through with it throughout these 40 days of Lent. You will be drawn closer to Christ as He draws closer to you because the season of Spring will be here before you know it!

Blessings to you! Pastor Missy

# LENTEN OPPORTUNITIES

## RESTORED!

Lenten Bible study: “Restored: Finding Redemption in our Mess”.

Sometimes our lives are in such disarray we can't envision a way through to redemption. But when we look at the mess through the eyes of Christ, we not only find redemption, we can clearly see spiritual restoration. In this study we will reflect & meditate through our own brokenness, showing us that it is only when we focus on the cross as a place to surrender control that we can leave our mess & find true redemption. This 6-week study uses Scripture, devotionals, & the writings of Ignatius of Loyola, John of the Cross, St. Augustine, John Wesley, Evelyn Underhill, & others.

The class will meet on Monday nights from 6:30-8:00 p.m. beginning March 6<sup>th</sup> and ending April 10<sup>th</sup>. Sign up in the Gathering Area! Cost for the book is \$10.00.

St. Mark's United  
Methodist Church

Join us for the Ash Wednesday service on **March 1 at noon in the Chapel**. We will have a time of reflection & prayer, receiving the ashes & sharing in Holy Communion. This is a wonderful opportunity to begin the Lenten season with an attitude of repentance & thankfulness. Everyone is highly encouraged to come & spend that time with the Lord as we prepare our hearts for our 40 day Lenten journey together.

“On the  
Road to the  
Cross”

Come join us as we journey on the road to the cross from Ash Wednesday to Easter week, every Wednesday at noon in the Chapel. We will experience Easter through the eyes of the everyday people who witnessed the triumphal entry, saw Jesus drag his cross to Calvary, & cried through Christ's last words. Each perspective opens the door to a fresh understanding of Easter & impact on their lives and on ours.

**A Local Mission Partner of St. Mark's Church:  
Neighborhood Service Center Equips Citizens for Becoming Self-Sufficient  
By Amelia Blades Steward**

For many years, St. Mark's UMC has been a community partner of The Neighborhood Service Center, Inc. (NSC) in Easton. The Neighborhood Service Center, Inc. is a non-profit Community Action Agency whose mission is to improve the quality of life both socially & economically for low-income residents in Talbot County by equipping them with the tools & potential for becoming self-sufficient. The Center began in 1968 as an off shoot of the Tri County Community Action Agency & with the vision of Dorothy W. Black, began as a small non-profit that provided not only emergency services but hope, stability & support to hundreds of families in Talbot County.

St. Mark's Mission funds are used for the Center's Emergency Service Program. Local government funding, as well as private donations & state & federal funds, allows NSC to assist low-income & elderly residents who are facing eviction &/or utility cut-offs & to provide hotel placement when needed. Customers moving into their homes for the first time can also be assisted with first month's rent. When funds are available, NSC can also help with Maryland I.D.'s, prescription medications & other emergency situations through this program.

According to Marilyn Neal, Executive Director, requests for services have increased in every area over the 49 years the Neighborhood Service Center has been operating in Talbot County. The Center serves 2000 families a year. She comments, "The Emergency Service Program tugs more at my heart than any other program – helping to prevent homelessness, keeping people healthy, & helping people keep & get jobs. Ninety-eight percent of our clients are working people who just need a hand up."

She adds, "St. Mark's funds have been a blessing to the Center – a stabilizing source of funding for us. The church has also helped us to connect to other agencies in the community through their annual event."

Unlike other local service providers, The Neighborhood Service Center serves the total family. NSC's focus is to promote self-sufficiency, not dependency. With other community partners, NSC can provide its low-income residents the right mix of assistance, encouragement & incentives to become self-sufficient.

The Center is located at 126 Port Street in Easton. The Dorothy W. Black Youth Center, located on the second floor of 126 Port Street, provides an **After School & Summer Program** for youth ages five through twelve. The Center also has other programs in place to help the citizens of Talbot County, including an **Emergency Food Pantry**, a **Summer Youth Program**, the **Maryland Energy Assistance Program**, the **Electric Universal Service Program**, a **Rental Allowance Program**, & a **Representative Payee Program**.

The Center's Ridgeway House Transitional Shelter is located at 120 North Aurora Street & provides a 90-day stay for homeless individuals. Residents here are assisted by case management – helping them to find jobs & permanent living arrangements. In September 2016, a 28-room low-income rental property at 36 West Street in Easton, MD was donated to the Neighborhood Service Center by Gregory Webb. The Center is currently seeking civic & faith-based organizations & businesses to adopt a room in the building or a part of a room to help with its renovations & furnishings.

The Neighborhood Service Center accepts donations of furniture, clothing, household items & food from local residents, organizations & businesses. For further information about the Neighborhood Service Center, visit [nscTalbotMD.org](http://nscTalbotMD.org) or call Marilyn Neal at 410-822-5015

People are waiting in line for the Neighborhood Service Center's food pantry & daily clothing giveaway.

## Financial Report for 2016 & 2017 Budget

2016 was a successful year for St Mark's both spiritually and financially. The financial results can be attributed to the "Fearless Generosity" of our members and supporters, as well as improvement in the financial market in which our funds are invested. The 2017 budget forecasts both lower revenue and expenses because of three factors. In 2016 we had one very generous donation to support last year's budget, we withdrew \$72,873 from investments and the year included an extra ordinary amount of building maintenance.

Significant progress was made in paying down our debt; however \$191,000 of that pay down was the result of the sale of 510 Trippe Ave. We are now at the point where more than 50% of each monthly payment goes to loan principle.

Last I would like to highlight the great work of our missions committee. Our members have generously contributed almost \$60,000 over and above funds needed to fund our operating budget. In addition the Thrift Shop has provided approximately \$25,000 in profit for missions. The Thrift Shop provides many families with low cost clothing and household items so serves as a mission project itself.

Thank you to everyone for your prayers and financial support for St Mark's!!!!

## Prayer Shawl Ministry

### “Hugs from St. Marks”

This ministry began just a few short years ago knitting & crocheting shawls & lap robes. In that short time we have stitched over 500 wraps & ‘gifts of love.’ These gifts include hats for our military, teddy bears & blankets for baptisms & sick children, blankets for the hospital for heaven born babies, lap robes for our veterans, chemo caps, & hats for the homeless. Our ministry keeps growing in both production & membership. The yarn is provided by our members, with an occasional gift now & then. As they are stitched, & after these gifts of love are completed, they are prayed over & tagged with a prayer card from St. Mark’s.

We need your help! How (?) you might ask. There is no way just a few of us can know all the people out there who would benefit from our ministry. We need your help getting our shawls & lap robes to the folks who “need a hug.” Perhaps they are ill, having surgery, lost a family member, or going through a rough time. All you have to do is contact Ann Yingling, Carole Shadle, or come to the church office to sign one out. There is a list for you to add information to as you choose your shawl or lap robe.

Our ‘hugs’ have reached far & wide—from Easton to across the seas. Please help us continue to share the love of Christ with all God’s children in ‘Talbot County & beyond.’

### **COFFEE + SNACKS + FRIENDS = FUN FELLOWSHIP!**

Thank you to all of our wonderful volunteers who have served as hostesses for our Sunday Morning Coffee Fellowship. This is such a great time for everyone to come together between services and enjoy conversation. Please consider becoming a part of this ministry! We would like the help of new volunteers, in addition to those who have been serving for years. Easy guidelines are provided. You can be as creative as you like! There will be a sign up sheet in the Gathering Area so volunteers can choose the Sunday they want to serve for the months of April and May, before we switch to our summer schedule. You can also call the office to volunteer. Thank you!
