Our Vision:

St. Mark's Church will inspire people of all ages through acts of love and service to know Jesus Christ.

Easter Greetings!

There is so much to praise God for here at St. Mark's! Easter is coming up and it's a wonderful time to invite a friend to church to hear the message of the Resurrection of Jesus Christ. We will have our traditional Sunrise service that morning at 7:00 a.m. followed by breakfast in Fellowship Hall. Our regular services at 8:15, 9:30 and 11:00 will have inspiring music and a message focusing on the risen Lord! Hallelujah, He is risen! He is risen indeed!

The United Methodist Men have some big plans on sharing the message of the "Empty Tomb" outside the church during Easter week, so keep a lookout for that. We will also have "prayer stations" set up in the Gathering area during Holy week where you can come and spend some quiet time with God.

The last Sunday of April is also one of our 5th Sundays. We will have a combined worship service that day at 10:00 a.m. (no Sunday School that day, as everyone will be a part of the Sunday worship service) This service will be a little different as it is Confirmation Sunday where we welcome our newest members into the church. It will also be a "Testimony Sunday" where several of our folks will share what the Lord has been doing in their lives since they accepted Christ as their Savior. We will hear from folks from very different age groups, with different experiences, but all will focus on the transforming power of Jesus Christ. What a great way to follow up our Easter services. After the service we'll have fellowship time in the Gathering area with cake and lots of goodies to celebrate our confirmands. Please plan to attend this very special service as we celebrate our young people here at St. Mark's!

He is risen, He is risen, indeed!

Troop 190 News

The Scouts of Troop 190 have remained busy over the winter and are looking ahead to an exciting spring and summer! In January, the boys attended the annual Winter Klondike Derby, where they camped out in and participated in the outdoor skill competition. Through a great showing of skill and teamwork, the boys came home with First Place! In February, the troop visited the Air and Space Museum and participated in the Scout Sunday Service. The boys also collected nearly 40 bags of food for the St. Marks Pantry.

We are very excited that 8 new boys have joined the troop. They have already attended some of our trips and recently several helped with a roadside "Adopt a Highway" cleanup along Chapel Road. As the weather warms, the troop has a bike trip along the C&O Canal planned along with a Whitewater Rafting and Bike trip along the Lehigh River. The troop is always open to new scouts, so if you know of a boy aged 11 or older who may benefit from the scouting program, contact Scoutmaster Jim Prettyman at [410-822-3763](tel:410-822-3763) or visit us at a meeting on Wednesday nights [at 7:00](#).

CHARACTER COUNTS MID SHORE: Embracing character development in all aspects of our lives.

When you were growing up, what values were you taught? How important are ethics throughout a lifetime of decision-making? Sadly, not all children are given a solid foundation of values at home. A group of concerned citizens asked, “Whatever happened to respect and responsibility?” That question led to the formation of Character Counts Mid Shore in 1998 and quickly joined forces with the public schools in Talbot, Dorchester and Caroline counties.

Our *Winners Walk Tall* program provides a positive alternative to the problems students are facing. Volunteers, known as Character Coaches, visit classrooms and deliver character messages, stories, & activities based on the Six Pillars of Character – trustworthiness, respect, responsibility, fairness, caring and citizenship. These trained Character Coaches become the friendly face, the mentor, the consistent figure in the students’ lives throughout the school year. This program teaches character in ways that improve academics, students’ behavior and school climate as revealed in a study done by the Maryland State Department of Education.

Last school year one of the Character Coaches shared her experiences about the *Wings and Weights* lesson which is based on positive and negative people in their lives and how to politely excuse yourself from the “weights”. “Where was this lesson when I was growing up? If I had been given this lesson in school, I would have been spared so much grief. Thank you for making me a part of something so inspiring and life-changing.”

Character Counts Mid Shore’s Executive Director, Susan Luby states, “This program improves the lives of the Character Coaches who teach it, the communities that embrace it and the students who make better choices as a result of it.”

8 Blessings We Get From Serving by Veronica Sexton

written for New Spring Church

We all want our lives to matter. It's the reason we do the things we do. We chase promotions and leadership positions because we want to make a difference. We encourage our kids to go to college, get a good job, and make lots of money, in hopes that they, too, will make a difference.

There's nothing wrong with wealth or influence, but those things alone won't change the world and they aren't what we were made for.

We were made to build the church ([Ephesians 4:11-13](#)). God made each one of with unique talents, personalities and skill sets. And when we ask Jesus into our lives, we're given at least one spiritual gift. We get the most joy and make the biggest difference when we use our God-given talents, gifts and abilities to build the church ([Ephesians 4:14-16](#)).

8 Blessings We Experience By Serving Others:**1. Serving allows us to discover and develop our spiritual gifts.**

[1 Corinthians 12](#) compares the church to a human body. Just like our bodies are made of many parts serving specific functions, the church is made up of people with different skills and abilities. Alone these pieces aren't very useful, but together we create something beautiful.

2. Serving allows us to experience miracles.

In [John 2](#), Jesus was at a wedding and the couple was running out of wine for its guests. He tells the servants to fill several big jars to the brim. When they served the water to the guests, it was wine! The guests never knew what happened; the servants were the ones who witnessed the miracle. The same is true for us when we serve.

3. Serving allows us to experience the joy and peace that comes from obedience.

[1 Peter 4:10-11](#) says, "Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms... so that in all things God may be praised through Jesus Christ." Serving is a form of worship, a way to express gratitude for what Jesus has done for us, and to share the love and grace we've been given.

4. Serving helps us to be more like Jesus.

We shift our focus off of ourselves onto others through serving. We begin to see others as Jesus sees them. And we see Jesus IN others ([Matthew 25:40](#)).

5. Serving surrounds us with other Christians who can help us follow Jesus.

When we're working side by side with other people, a bond inevitably forms. This was part of God's plan for how the church is supposed to work. That's why [Hebrews 10:24-25](#) instructs us to "spur one another on toward love and good deeds, not giving up meeting together... but encouraging one another."

6. Serving increases our faith.

As we move out of our comfort zones, God increases our faith by revealing new potential — in ourselves and in His Church. When we see what He can do when His power is at work within us, we begin looking for the doors He's opening rather than pushing our way through the one's He's closed ([Ephesians 3:20](#)).

7. Serving allows us to experience God's presence in new ways.

Encouragement and healing go hand in hand. As we encourage others and they find healing, we're encouraged. It's the reason so many people who go on mission trips say they came home feeling like they got more than they gave.

8. Serving is good for your soul.

Studies have shown that volunteering is so good for the mind and body that it can ease symptoms of stress and depression. Tapping into our gifts and passions builds self-confidence, energy, and strength. Serving others can also be the best distraction from our own worries.

We make all sorts of rational explanations for not serving:

I don't have time.

I don't know what I would do.

I don't have any special skills to contribute.

They don't need me.

But the reality is the Lord doesn't call the equipped; He equips the called. God used men and women with similar doubts to change the course of history. Moses didn't think he was a leader or speaker, but God worked through Moses to bring Israel out of slavery. David was the youngest (and therefore most insignificant) of all his brothers, but God worked through David to defeat a giant and eventually made him a king. Paul used to kill Christians before he met Jesus, but he went on to become one of the most highly-regarded and prolific writers/church planters in history.

God doesn't just want to work through you, He wants to work in you. Learn more about how you can start serving at newspring.cc/serving.

MEET OUR CHURCH FAMILY

Elaine Singer Tama

One of our newest members, Elaine was born in Forty Fort, PA (near Wilkes-Barre), the daughter of a Methodist minister. She earned her B.A in History from Syracuse U. in 1966 and moved to D.C. to work in the office of Sen. Jacob Javits. Following that she worked in a program assisting welfare recipients to get training and work. After being a stay-at-home mom to her two sons for a number of years, Elaine began taking accounting classes, eventually earning a second degree in accounting. She worked as an accountant for the FDIC for 16 years and in the private sector for several years also. She has been retired for 7 years.

She and her husband Mario, who have been married for 46 years, moved to the Eastern Shore 6 years ago from Cabin John, MD, where they had lived for 33 years. Mario retired 10 years ago from a civilian position in construction management with the Navy. Their family consists of Mario, who is a photojournalist with Getty Images, living in Rio de Janeiro, Brazil, and Jason, who is a Coast Guard officer living in D.C. with his wife and two daughters.

Elaine has many hobbies and interests, including: taking adult learning classes at the Academy for Lifelong Learning and Chesapeake College, volunteering for the past 6 years with the AARP Tax-Aide Program at the Senior Center, singing with Easton Choral Arts Society and the 9:30 singers here at St. Mark's, travelling to the Poconos and Cape Cod in the summer, helping take water samples of the Miles River for the Mid-Shore Riverkeeper Conservancy, and especially reading. She is a busy woman obviously!

Welcome to our church family, Elaine. We're glad you have joined us!

Margaret Blair

A faithful member since 2002, Margaret has a most interesting history. She was born in NY to German parents, but in 1939, her parents took her and her older sister to Germany to visit relatives. World War II broke out shortly thereafter, and they were not allowed to return to the U.S. Therefore, Margaret received her education in Germany and worked as an infant nurse in a hospital for sick children for several years. Her parents, wanting her to maintain her U.S. citizenship, sent her back to the U.S. before she was 21, which was no easy task. East Germany was Russian occupied at the time, so everything had to be done secretly. Finally, she left Germany alone in 1956 to return to NY. She was met by her sister who had earlier left E. Germany for NY, via W. Germany. Margaret lived with her sister while going to night school for 4 years to learn English and also working at the hospital where she was born.

In her English classes, Margaret met her husband. They moved to the Annapolis area in the early 60s; during that time she worked for Brink's, Inc. in D.C. for 13 years, then part time for Manpower until 1979 when they moved to the Eastern Shore. At that time she retired, but her husband continued working for the FAA in D.C. until 1983.

A widow since 1984, Margaret enjoys taking care of her house, visiting with her sister and friends, going to the YMCA for exercise and being an active volunteer with the Hospital Auxiliary, which she has done for 27 years! Margaret is also an animal lover and enjoys feeding the birds. St. Mark's is also an important part of her life; she serves as a Greeter at the 11:00 service, helps with the Markings' mailings and Christmas decorations, and was a member of the Bell Choir for seven years.

Thank you, Margaret, for your faithfulness to our church and community.
