**MISSION: To share the love of Jesus with and through the people of Talbot County and beyond.**

September has flown by with a big flurry. As I reflect on this whirlwind month I am reminded that in the midst of our everyday lives, God is always there. As we watched the devastation that Hurricane Harvey and Irma brought, then Jose and Maria, we have also seen the resiliency and goodness of our neighbors. People helping people, no matter what, no matter their political, economic or racial differences. People coming together, realizing that we're all in this together!

This is how the church is supposed to be, people coming together, in spite of differences, working together for the common goal, to see people come to faith in Jesus Christ and to transform the world with God's grace and love through acts of mercy, compassion and justice. Each of us has a role to play in God's great commission. Ask yourself today, what am I doing personally to bring people to Christ? What am I doing to tangibly show the love of Jesus Christ to my neighbors? What can we do as a church to more effectively reach out into our community with the good news of Jesus Christ? How can we seek justice for those without a voice? Are we doing ALL that we can to be servants to all and followers of One? There is no greater force than a group of people who have the same goal and purpose, who want to work together to bring about something that none could do on their own. That is the body of Christ! May we prayerfully and joyfully join with one another to be the church that God has called us to be!

Pastor Missy

Dear St. Mark's, Thank you so much for supporting me and my goals of higher education. It is only thanks to organizations like you that I am able to pursue my dream of becoming a cybersecurity specialist. Again, thank you so much for your generous scholarship!

St. Mark's members & friends, What a special celebration you gave me on Sunday, September, 17, 2017! So many accolades, generous gifts, meaningful cards & well-wishes were presented. And there was the most creative gift—a commissioned organ works, based on Hymn #68—"When in Our Music God is Glorified", by Mark A. Miller, who is currently a faculty member at Drew Theological School & the Yale Institute of Sacred Music. What a challenge it will be for me to master this wonderful piece to play for you later this Fall, hopefully on Christ the King Sunday, November 26th.

Many thanks go out to the organizing committee, church leaders, & volunteers who helped with the communications & so many other details. Blessings to all of you! Fondly—Bill Wharton, St. Mark's Organist (for a long time so far.....)

### BAD NEWS GOOD NEWS

#### The Interfaith Hunger Coalition

The bad news is we have far too many community members who do not have enough food to eat; the good news is St. Mark's is helping to solve this terrible problem.

In 2005 a group of churches under the umbrella of the Interfaith Hunger Coalition came together with a plan to provide lunches to a maximum of 100 people every Wednesday. Each faith group is responsible for preparing and delivering these lunches. The people who receive the lunches are referred to the program by churches, Talbot County Health Dept, Social Services, St. Mark's Village or individuals. There are no financial barriers to this program.

This food program originated at Asbury Methodist Church with a "soup day" and expanded to include 10 other Faith Communities enabling it to become a year round program.

Because of the extreme generosity of St. Mark's members we can gratefully say all of the food for this mission program has been donated, prepared & delivered for the past 12 years to those in need at no expense to the our Church.

This is a remarkable testimony of stewardship, love & concern for others. This is also an invitation for you to be a part of this important Mission program that touches the lives of your neighbors who need your help.

If you would like to help by donating sandwiches, dessert or fruit your name will be place on a list (you will not be called often) & you will be called by one of the monthly chairpersons listed below.

Hannah Alnutt, Gabby Nowak, Evelyn Graybeal, JoAnna Thomas, Millie Parrott, Frances Gosser, Judy Coffren, Polly Watts, Claudia Knox, Betty Wheedleton, Betty Todd, Robin Nowak

Having the congregation come together between services in the Gathering Area for light snacks and coffee has been a wonderful time of Fellowship at St. Mark's.

Let's continue this tradition in the fall! The coffee will be prepared; we need snacks and servers. In order to get more people involved, there will be a sign-up sheet in the Gathering Area starting September 10<sup>th</sup>.

Guidelines will also be available. It's fun and easy. Please talk to some friends and come together to cover a Sunday or two. If you have any questions, (or you are ready to sign up now!) please contact me via email [kmiller@stmarkseaston.org](mailto:kmiller@stmarkseaston.org) or leave me a phone message at 410-822-0001 ext. 308

## Music Notes

What an exciting day of celebration we had on Sept. 17<sup>th</sup> for our own Dr. Bill Wharton who celebrated his 50<sup>th</sup> year at St. Mark's. What an accomplishment! Thanks to everyone who participated in our music. It was such a great way to give well deserved accolades to such a key person in our church. We were so happy to see so many join our Chancel Choir as we sang in celebration for this special event. Thank you for coming out and lending your voices, and please know that you are always welcome to join us at any time. Chancel Choir meets on Thursdays at 6:30pm. Please consider singing with us again!

**The Overtones**, our handbell choir, is looking for players! If you would like to give it a try please come to one of our Tuesday night rehearsals at 6:30pm in the bell room, first floor, near fellowship hall. We look forward to welcoming you!

**Youth Choir** is about to start. Please look for fliers that will be distributed to the Sunday School classes. Anyone who would like to sing is welcome to join.

The **St. Marks Concert Series** is becoming finalized, with a couple more slots to fill. Please call or email me if you know of someone (or an ensemble) who would be willing to present a program. I am specifically looking at November or March dates.

Dr. Wharton will present his annual organ recital on Oct. 22<sup>nd</sup> at 3pm, featuring and celebrating music influenced by the Reformation begun by Martin Luther in 1517. You don't want to miss this one!

The Mid Shore Community Band, will again play delightful holiday selections following our Christmas Dinner at 6:30pm on Dec. 3<sup>rd</sup>.

Also scheduled is the biennial Chesapeake Chamber Competition on April 8<sup>th</sup>, which will feature a group chosen from the event's finalists. These are high caliber artists who come from all areas of the country.

Please plan to attend all or any of these programs. They are free of charge and are always wonderful performances.

**Special Music** opportunities are available and I am always looking for people willing to share their artistic talents. Please contact me if you would like to present something for our very appreciative congregations.

### St. Mark's United Methodist Church United Methodist Men

The United Methodist Men of St. Mark's United Methodist Church meet the second Tuesday of every month, except July at 6:30 pm at the Church. Our monthly agenda includes bible study and ways in which we can serve our Church membership and our adjoining community. All men in the Church are considered members and we look forward to serving the needs of all men. We will meet again on Tuesday, October 10th.

We have received our permit for food service during the Waterfowl Festival, November 10 – 12, 2017. Our famous Rockfish Corn Chowder will once again be the highlight of the kitchen as well as serving our oyster fritters. The plan is to set-up on Thursday, November 9<sup>th</sup> at 10:00 am and break down everything on Sunday the 12<sup>th</sup> after 3:00 pm. This way our tables and chairs are not left out another night in the elements. We will need help to make all of this happen so please mark November 9 – 12 on your calendars to work the festival.

We are exploring ways to partner in faith and practice with our sister churches in the area, Asbury UMC and Scott's UMC in Trappe. An opportunity is presenting itself to commune more directly with our brothers in these charges so keep tuned as we explore areas of ministry and interaction with our brothers in Christ.

If you are a man of faith and want to help us in our mission of serving Christ and others, we would love to have you join us. Send me an email to [earecksonr@yahoo.com](mailto:earecksonr@yahoo.com) and I will put you on our email list. You don't have to attend our meetings to be involved. We are active and alive for Christ. Come and be a part of our group.

Grace and Peace to you!

**“TO HELP MEN GROW IN CHRIST, SO  
OTHERS MAY KNOW CHRIST”**

## NEWS FROM THE MISSION COMMITTEE

**UMCOR US Disaster Responses:** The original response was for those impacted in Texas by Hurricane Harvey and as of September 10<sup>th</sup>, St. Mark's has collected \$3,315. for this relief. Then along came Hurricane Irma that hit Florida. If you want to donate specifically for that disaster, indicate this on your check's memo line.

In addition, our mission committee is also providing an opportunity to assemble hygiene kits for disaster relief. I have put together a sample kit/bag, which I was able to assemble for less than the \$12.00 UMCOR says, by shopping at Dollar Tree & Walmart. I have started plastic gallon bags with the material lists inside to help those who would like to participate in this project. These are in a box in the gathering area.

In addition to the bag & list, you will need the following UMCOR hygiene kit packaging instructions:

-All items must be new and not washed.

-It is important that each kit contain only the requested items, no notes or additional items.

-Lay out the hand towel flat on table. Lay the washcloth flat in the center of the hand towel. Place all remaining items on top of the washcloth. Fold over the sides of the hand towel to cover all of the items. Fold over one end of the hand towel so that it covers all of the items. Grasp the bundle of items tightly and roll over the remainder of the hand towel tightly. Place the tightly rolled bundle in the plastic bag. Remove as much air as possible and seal the bag.

-UMCOR uses the \$1.00 from each kit to purchase toothpaste in bulk to be added to hygiene kits before shipping to ensure that the product does not expire before they are sent.

**Presentation of Donations Program** The annual Presentation of Donations Program will be held on October 16<sup>th</sup> at 10am in room 155. At that time we will be presenting checks totaling \$38,500 to our 20 Local Mission Partners and receiving brief updates from them. Everyone is invited to attend this program to learn more about these agencies that our church supports.

**World Communion Sunday** In the United Methodist Church, there are six special Sundays. Through St. Mark's mission fund, our church makes a small donation to each when it occurs each year.

**World Communion Sunday** is one of these and is celebrated each year on the 1<sup>st</sup> Sunday in October. Donations here provide scholarships for U. S. racial and ethnic minority students and international students, on both undergraduate and graduate levels to help change the world. There are copies of a small brochure concerning World Communion Sunday in the gathering area.

**Mission Committee** Along with Pastor Missy, the following people currently serve on the committee: Audrey Brown, Gladys Makovsky, Claire Rekitzke, Lee Royer, Steve Radis, Sheila Scott, and Eric Steward. Della Andrew & Nancy Harrison are the co-chairs. We appreciate the many years of service represented by these members and are pleased to welcome Judy Leight and Becky Skinner to the committee in 2018.

By the time this newsletter goes out, the committee will have met on September 25<sup>th</sup> to review the Mission, Thrift Shop, and Needy Funds, finalize the local & foreign mission donations for 2017, and to receive & discuss the mission's various projects. As always, it has been a busy year.

## SUNDAY SCHOOL

This year's Sunday School theme is "Catch-Up with Jesus" & all students will sit with their families at the beginning of the 9:30 service. There will be a short children's devotional, then students will go to their Sunday School classrooms. This will give our youth a chance to experience & participate in Sanctuary worship with their families....lettuce praise & relish Him!

"A child shall lead them..... "Washing the feet of Jesus".

## 12 Ways Sunday School Benefits The Children

1. It promotes their eternal happiness. Children find indestructible joy in Christ.
2. It helps them make sense out of life. Only understanding who made the world, what went wrong and God's plan to fix it can explain this world we all experience.
3. It's their best chance to accept Christ. Research has proven that kids tend to be more receptive to the Gospel than any other age group. We want children to have every opportunity to believe in Jesus.
4. It helps avoid some negative outcomes of sin. Only God's grace can change our hearts, but knowing the consequences of disobeying God is often a wake up call and can lead children to stay on the way of the righteous.
5. It can help counter balance worldly influences. Everyone knows the harmful influences present in our society. Kids need positive influences to tip the scale.
6. It can help them learn to love others. The 2nd greatest commandment is to love your neighbor. We must teach this as a way of life, because it doesn't come naturally.
7. It is something fun to do. Do you know who invented fun? God did. Do you know why? For his own glory. We should not think God is against fun.
8. It helps kids want to come to church. There is nothing wrong with having a program that appeals to the interests of children, especially when it brings more children to hear the Gospel.
9. It helps them make new friends. Some of the best ones children will ever make is in the church.
10. It gives kids meaningful keepsakes. The Bible verses on their keepsakes will remind them of what they have learned for years to come.
11. It gives children special memories. Think back to when you were a child in Sunday school. Can you remember a special teacher or event?
12. It allows them to make friends with adult volunteers in safe context. In our culture child safety is a constant concern, and rightly so. But there is still great value in kids finding adult mentors in the church.

## October Markings 2017

“Let the Children Come...”

St. Mark's Preschool is in full swing, getting ready for the start of the new school year. Classes started week of September 4<sup>th</sup> for our students. We have 6 returning teachers this year with 3 new assistant teachers. We currently have 52 students enrolled. We still have 1 opening in our M/W 2 year old program, & 3 openings in our 4 year old program. (Don't forget active church members receive a 10% discount on tuition.)

As always, we encourage more involvement of our church members in our school. *We are always in need of substitutes*, but we also love having visitors from our community share their talents with us. Past visitors have included a Dental Hygienist, Commander of the VFW & a Fire Fighter! You do not have to have a child or grandchild in our school to help out! Please let us know if you are interested in volunteering. Contact me for more information!

Volunteering to substitute in class not your “cup of tea?” Please consider becoming a member of the 2017-2018 Shepherd's Club. The cost of becoming a member is \$100 & you will find your name listed on our website with other contributing members. The Shepherd's Club assists our school in providing the “extras” for our students such as field trips, at no additional cost to our families. Last year we were able to have the “Juggling Hoffman's” visit & we were able to send our three & four year old classes to the pumpkin patch. In the past the Shepherd's Club has also allowed us to maintain our playground & buy new furniture & learning toys for our classrooms. The Shepherd's Club is an opportunity to help “shepherd” the flock of our communities' children. You may place your donation in the weekly offering plate, in the black box outside the preschool office door or you may give the donation directly to Karen Reed or Christina Kinnamon in the church office. Please note on the check or envelope that the money is for the Shepherd's Club.

Please contact me with any questions! Thank you so much for your generous donations & support. We are looking forward to another outstanding year!

Sarah Ewing, St. Mark's Preschool Director

### **Help for victims of Hurricane Harvey from UMCOR:**

As you have witnessed on TV, much of southern Texas and parts of Louisiana have been devastated by Hurricane Harvey. Please be in prayer for those whose lives have been impacted by this disaster. If you would like to do something to support the work of UMCOR as it responds to this and other disasters in the US, I encourage you to help financially at this time. Please write your check to St. Mark's with UMCOR US Disaster Response/Texas in the memo line. Thank you for giving from your heart so that others may know that we care!

## **CARE PACKS**

In Genesis 12: 2 God tells Abram that he will bless him & in turn, Abram is to be a blessing to others. For several years St. Marks has been a blessing to Easton area school children who live in food insecure homes. On Fridays those children go home with backpacks of food that has been donated. The children in need are identified by school staff such as teachers, counselors, nurses & others, as having an inadequate food supply in their homes. And so they are given the Care Packs to help sustain them on weekends.

At the front door of the church near the office is a large box to receive donated food. There is a list of recommended food items that can be donated. Those items include cracker packs, individual servings of fruit, applesauce, pudding, cereals & pasta dishes. When the donations are received in the box, a member of the Mission Committee takes them to Easton Elementary School. From there a member of the school staff takes them off campus where volunteers pack the food items in the Care Packs. They are then returned to the school for distribution. It seems so easy to be a blessing and it is. Making donations makes a difference in the lives of local children. What a blessing St. Marks is to our local community. Thank you on behalf of the Mission Committee.
