## A NOTE FROM OUR PASTOR

We are sending this and future issues to those of you with email addresses if you have so requested. If you are interested in receiving your issues by email and have not yet requested, please contact the church office.

We have always had a “rule” in our house that NO Christmas decorations are to go up until after Thanksgiving. That doesn’t mean that I haven’t rushed my family through Thanksgiving dinner just so I could start bringing down the decorations from the attic! I have always loved the Christmas season, from the lights to the music, to all the sappy Hallmark movies. But over the years I’ve become most excited about preaching and teaching about the birth of our Savior Jesus Christ. God knew exactly what we needed when he gave us his greatest gift, his one and only Son. Each Christmas we get to unwrap that precious gift and experience his love and grace all over again.

So, Christmas is really about gifts, not the ones we go out and buy and wrap and then HOPE that someone likes. I’m talking about gifts that will have a lasting impact, ones that people we love will remember for a long time. What are the true gifts of Christmas that we can pass on to others? How about giving the gift of **time**? Is there someone in your life that you’ve been neglecting? Giving them the gift of uninterrupted, unhurried time is priceless! How about the gift of **kindness**? The Christmas rush can cause us to become irritable, harsh and thoughtless. As we overcome those emotions with kindness towards others, they can see the love and kindness of Christ through our actions. We can also give the gift of **encouragement**. Wouldn’t it be great if all of us had the ability to encourage one another when we’re down or disheartened? And finally **love** is the most precious gift we can give. When we love others, we are showing our love for the Christ Child born so long ago. As we have received this incredible gift of love, we are called to pass it on. Time, kindness, encouragement and love. These are gifts that always fit and will last long after the season is over.

Blessings to you and your family this Christmas! Pastor Missy

## St. Mark's United Methodist Church United Methodist Men

The United Methodist Men of St. Mark's United Methodist Church meet the second Tuesday of every month, except July at 6:30 pm at the Church. Our monthly agenda includes bible study & ways in which we can serve our Church membership & our adjoining community. All men in the Church are considered members & we look forward to serving the needs of all men. We will meet again on Tuesday, December 12th.

We just finished another successful Waterfowl Festival where we have once again provided support to this community effort & enjoyed the fun & fellowship of working together as brothers in Christ. While the final financial numbers are not in as of this writing, we are confident we made a small profit. Our rockfish corn chowder & oyster puffs (not fritters!) continue to be a hit with the festival goers & for the price, is certainly one of the best bargains in the town. Many thanks to the men & women who helped make the burden light & especially Camp Pecometh who partners with us & provided the large canopy to protect us from the elements. Thanks again to all who helped.

We need some man power on Saturday, December 2<sup>nd</sup> as this is St. Mark's Saturday to provide help for the "Habitat For Humanity" Port Street Project. Every other month, we provide workers for the project & it is a great time to help the community & serve our Lord in work-service. You don't have to have any special skills or tools, just a loving heart for the community. We meet on site from 9:00 am to noon. If you can help, please email Jim Scott at [jscott@goeaston.net](mailto:jscott@goeaston.net) so we can get an idea of who & how many will be willing to help. Thank you for your service.

We are beginning our planning for our annual Valentine's Luncheon, scheduled for Sunday, February 11<sup>th</sup> after the 11:00 am Sunday Service. This annual event has become a popular meeting for all men & their spouses so mark your calendars now for the event. More details to follow next month.

We are continuing to explore ways to partner in faith & practice with our sister churches in the area, Asbury UMC & Scott's UMC in Trappe. We are following-up on ways to commune more directly with our brothers in these charges so keep tuned as we explore areas of ministry and interaction with our brothers in Christ.

If you are a man of faith & want to help us in our mission of serving Christ & others, we would love to have you join us. Send me an email to [earecksonr@yahoo.com](mailto:earecksonr@yahoo.com) and I will put you on our email list. You don't have to attend our meetings to be involved. We are active and alive for Christ. Come and be a part of our group.

Grace and Peace to you!

MAY KNOW CHRIST"**

### Talbot Community Connections

Meets Unmet Needs of Talbot County's Children and Adults, by Amy Blades Steward

It's hard to imagine the unthinkable - families torn apart when sexual abuse occurs within the family. Who treats the victim, investigates the crime, counsels the family, and provides the support system for rebuilding the lives that are shattered? Over the last 14 years, Talbot Community Connections (TCC), a nonprofit organization, has the mission to raise and distribute funds to answer [unmet needs that are fundamental to the safety, security, health and well-being of Talbot County's children and adults.](#)

Specifically, TCC supports the Talbot County Department of Social Services, which assists people in economic need, protects children and vulnerable adults, and promotes the safety and well-being of the citizens of Talbot County, Maryland. Since 2003, a portion of its support has funded the Talbot County Children's Advocacy Center (TCCAC), a collaborative effort of several Talbot County agencies, to provide services to Talbot County children and families victimized by sexual abuse. The Center also provides an effective, collaborative response to the investigation of child abuse in the Mid-Shore Region.

Led by the Talbot County Department of Social Services, in partnership with Shore Health System, the Talbot County Children's Advocacy Center is housed at Memorial Hospital at Easton, MD. It opened in 2003 when a group of professionals and volunteers dedicated to serving victims of child abuse set out to find a more compassionate and effective way to bring services to Talbot County children victimized by sexual abuse. Prior to 2003, many services necessary for child sexual abuse victims and their families were not available in the Mid-Shore region. A child-friendly setting with children's furniture, decorative murals, and suspended kites, the facility offers a neutral environment for the investigative team to conduct interviews, provide medical examinations, and deliver advocacy services for abused children while pursuing the prosecution of offenders. Over the years, TCC funds have assisted non-offending caregivers who needed assistance in gaining the access to services during the course of the healing process due to sexual abuse in the family. For one Talbot County family victimized by child sexual abuse, the support TCC provided for dependable transportation to TCCAC meant that the family members were able to attend appointments. Donations from donors such as St. Mark's United Methodist Church to Talbot Community Connections help meet many types of needs in the community, including support for the TCCAC.

It's that time of year again, time to start thinking about mittens & scarves! Coming soon to the gathering area will be our MITTEN TREE! As you are doing your holiday shopping please keep in mind those less fortunate than us. Throw a couple extra gloves, mittens, scarves & hats into your cart.

It will warm your heart. Bring them to church to adorn & help decorate the tree.

**MUSIC LOVERS NEEDED:** Do you sing or play an instrument? The 9:30 Praise Band needs you!! Rehearsals are Thursdays 5:30-6:30 & Sunday mornings at 8:30 in the sanctuary. Contact Elaine Tama 410-200-2194 for more information or see David Cherry after the service.

## Music Notes

**It is cantata time again!** St. Marks will present “**Born a Savior, Born a King**” at the 9:30 and 11am services on December 17<sup>th</sup>. Slated this year to join the singers will be flute, clarinet, violin, cello, handbells, and of course, our keyboards. Please consider lending your voices to this special program. It is a great way to participate in choir, especially if you are super busy, don't have much time to commit, and have the desire to sing with the choir, even if just for a smaller amount of time. Chancel Choir meets on Thursdays at 6:30pm. Feel free to join in the fun!

**The Overtones**, our handbell choir, is getting ready for our second holiday gig at the Inn at Perry Cabin. We will play at 5:30pm on Saturday, Dec. 9<sup>th</sup>, welcoming Santa, lighting the tree, and literally ringing in the Christmas season. Please come out and listen, and perhaps even sing along to your holiday favorites.

**Youth Choir** meets at 9:15am (prior to Sunday School) in the hand bell room. Any child who would like to sing is welcome to join. We will sing at 9:30 services on various dates throughout the year.

### **Upcoming St. Marks Concert Series Programs:**

The Mid Shore Community Band, will again play delightful holiday selections following our Christmas Dinner at 6:30pm on Dec. 3rd. This is always a family favorite and not to be missed!

February 25<sup>th</sup> will feature the All Children's Choir of Annapolis, joined by the Bates Performing Arts Chorus. This is a great program for all ages! Join us at 3pm.

Also scheduled is the biennial Chesapeake Chamber Music Competition on April 8<sup>th</sup>, which will feature a group chosen from the event's finalists. These are high caliber artists who come from all areas of the country.

Please plan to attend all or any of these programs. They are free of charge and are always wonderful performances.

**Special Music** opportunities are available and I am always looking for people willing to share their artistic talents. Please contact me if you would like to present something for our very appreciative congregations.

## FROM MY HEART TO YOURS

We are pleased to share some very good news concerning PLRCA (Partners for Leadership Resources for Churches in Africa), A ministry funded by Saint Mark's UMC. At a recent forum of UMC educators in which 20 African Theological Institutions were represented, PLRCA resources were introduced in the E-library Project. The E-library Project is a ministry sponsored by the General Board of Discipleship and the General Board of Higher Education and Ministry of the UMC. This project provides, especially professors teaching in African theological schools and colleges, and their students with textbooks and other needed reading resources on kindle. The need is dire! This project is really a library in E-books as a kindle may have hundreds of books. PLRCA has twelve of its resources included in the E-library.

PLRCA as you know, produces Leadership Resources along with theological textbooks to equip and train pastors called to serve the rapidly growing Body of Christ in Africa. (More than 30,000 converts are added daily to the Christian church in Africa.) So far, PLRCA has distributed more than 2,000 resources to pastors and teachers in addition to the more than 2,000 kindle edition with PLRCA resources made available to teachers in collaboration with the E-library Project. PLRCA is blessed to be a major source of resources for the E-Library Project. And with this new opportunity the reach of PLRCA will be greatly increased.

We give hearty thanks and praise to the Lord for St. Mark's UMC support and sponsorship of this ministry and its commitment to ministry, especially St. Mark's UMC commitment to PLRCA. We are very grateful to St. Mark's UMC for the support! Thanks.

Jefferson S. Labala

Executive Director, PLRCA

**UMCOR Hygiene Kits** Many thanks to everyone who assembled UMCOR hygiene kits. And thanks to Judy Leight for heading up this project for our missions committee. Judy reports that she turned in 78 kits to the local collection location for our district, which was at a church in Denton. In addition, we have 36 completed kits stored here at our church, until we are told where to deliver them. Thus we have taken down the display with the starter storage gallon bags and the list of supplies needed & instruction for assembling the kits. The dollar bills that are included in the list of supplies needed is to pay for tooth paste. St. Mark's deposits these one dollar bills and sends a check to Mission Central for them. Prior to the kits being distributed to people in need of them, the dollar bills are then used to purchase tubes of tooth paste. In this way, the 'best use' date is still current, when the kits are actually used. When we get word that more kits are needed and/or we hear of possible storms that are headed this way, Judy will again put up the display.
