

ST. MARK'S UMC SINGLES MINISTRY

Our mission: Our focus is on the unique situations of singles in our area, to provide activities that will bring us together for fellowship, worship of our Lord Jesus Christ, and service to our church and community. -- A variety of activities are provided so that the singles will hopefully find one or more that they will enjoy.

On Sundays after church, we will go to lunch for good food and conversation.

On Tuesday evenings we take dance lessons in east coast swing, waltz, cha-cha, etc. at the Academy of the Arts Museum.

We will read and study the Bible in 2020. The bible study will take place on Wednesdays at 7:00 in room 209 of St Mark's church. We will begin with worship songs, discuss the week's reading, and end with snacks and games. The course of study is provided at the following link: www.biblica.com/resources/reading-plans/

Other opportunities arise such as concerts, plays, etc.

There are many needs in our community and collectively, we will choose what to focus on as we go.
