

INDIANA NATIONAL GUARD ANSWERING THE CALL

State Mission: “To provide trained and disciplined forces for domestic emergencies or as otherwise required by state laws”

Federal Mission: “To maintain properly trained and equipped units available for prompt mobilization for war, national emergency or as otherwise needed”

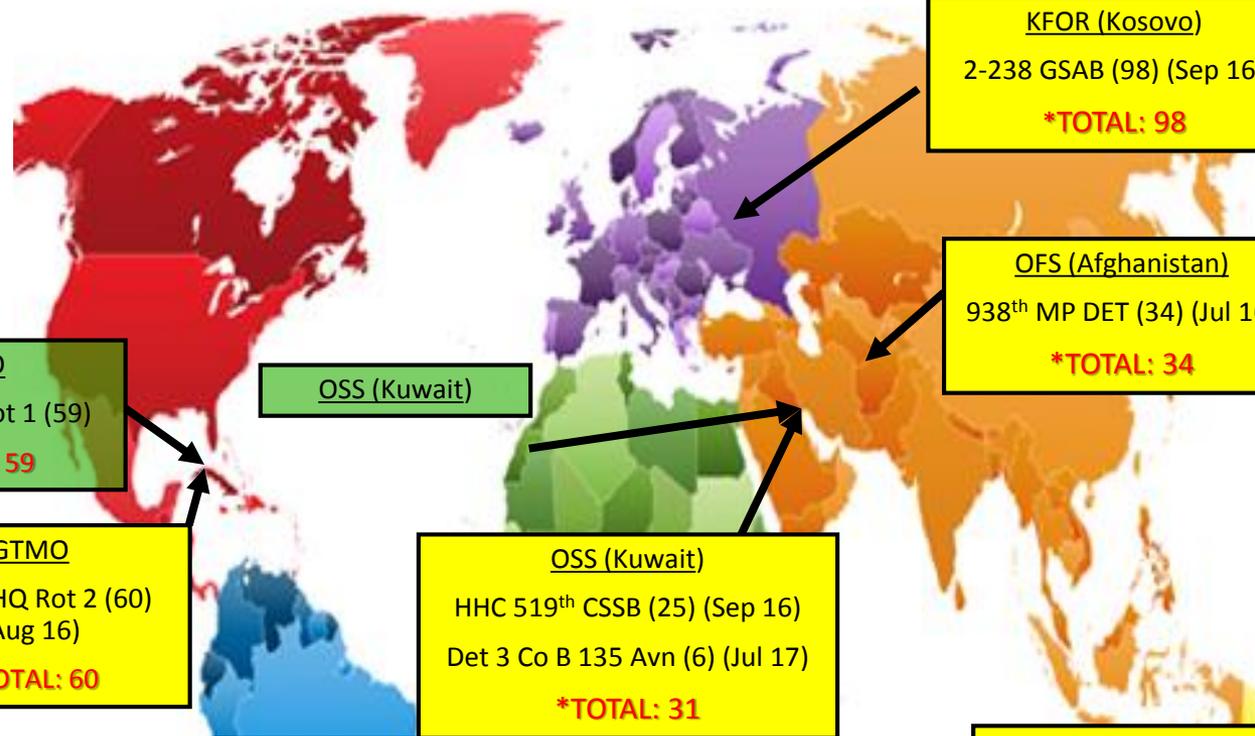

Top 5 Army National Guard States by Strength

ARNG STRENGTH	STATE	STATE POPULATION	Population Rank	SOLDIERS PER 1,000 POPULATION
18,633	Texas	26,059,203	2	0.715
14,990	California	38,041,430	1	0.394
15,795	Pennsylvania	12,763,536	6	1.237
11,486	Indiana	6,564,536	16	1.763
11,497	Ohio	11,594,113	7	0.998

Indiana's very high ratio of soldiers to citizens delivers unrivaled responsiveness when responding to domestic emergencies

Service Member For Life

Our Mission Statement: To expose our nation's youth to the technological environments and positive civilian and military role models found on Active, Guard, and Reserve military bases and installations, nurture a winning network of collaborators, and build mutual loyalty within our communities, by providing 25 hours of exemplary hands-on instruction and activities that meet or exceed the National Standards.

Academy Locations:

- The 122nd FW, Fort Wayne (Opened in Feb 2012)
- Stout Field, Indianapolis (Opened in Feb 2015)
- The Air Support Facility, South Bend (Opened in Feb 2016)

Student Profile: Serving elementary students through DoD STEM curriculum, summer camps and after-school programs.

STARBASE Indiana Success

- Over 5000 graduates since debut
- 53% increase from the pre-test to post-test
- 12 school districts served statewide
- All seats filled for 2016/17 school year
- Surpassed standards of Federal and DoD Audits

**INDIANA - ISRAELI
COOPERATION**

- 2010 Indiana and Israel provided relief efforts in Haiti
- 2011-2014 initiated cross-cultural immersion and training
- 2015 Soldiers from Israel’s National Rescue Unit participated in United Front at Muscatatuck

WHY THIS IS IMPORTANT

International complex emergencies and crisis situations will require not just collaboration but a detailed knowledge of one another’s practices and systems.

**INDIANA - SLOVAK
STATE PARTNERSHIP PROGRAM**

- Partnership established 09 FEB 1994
- FY2015 Largest participation in 21 years (18 events)
- FY2016 Largest anticipated participation in 22 years (27 events)

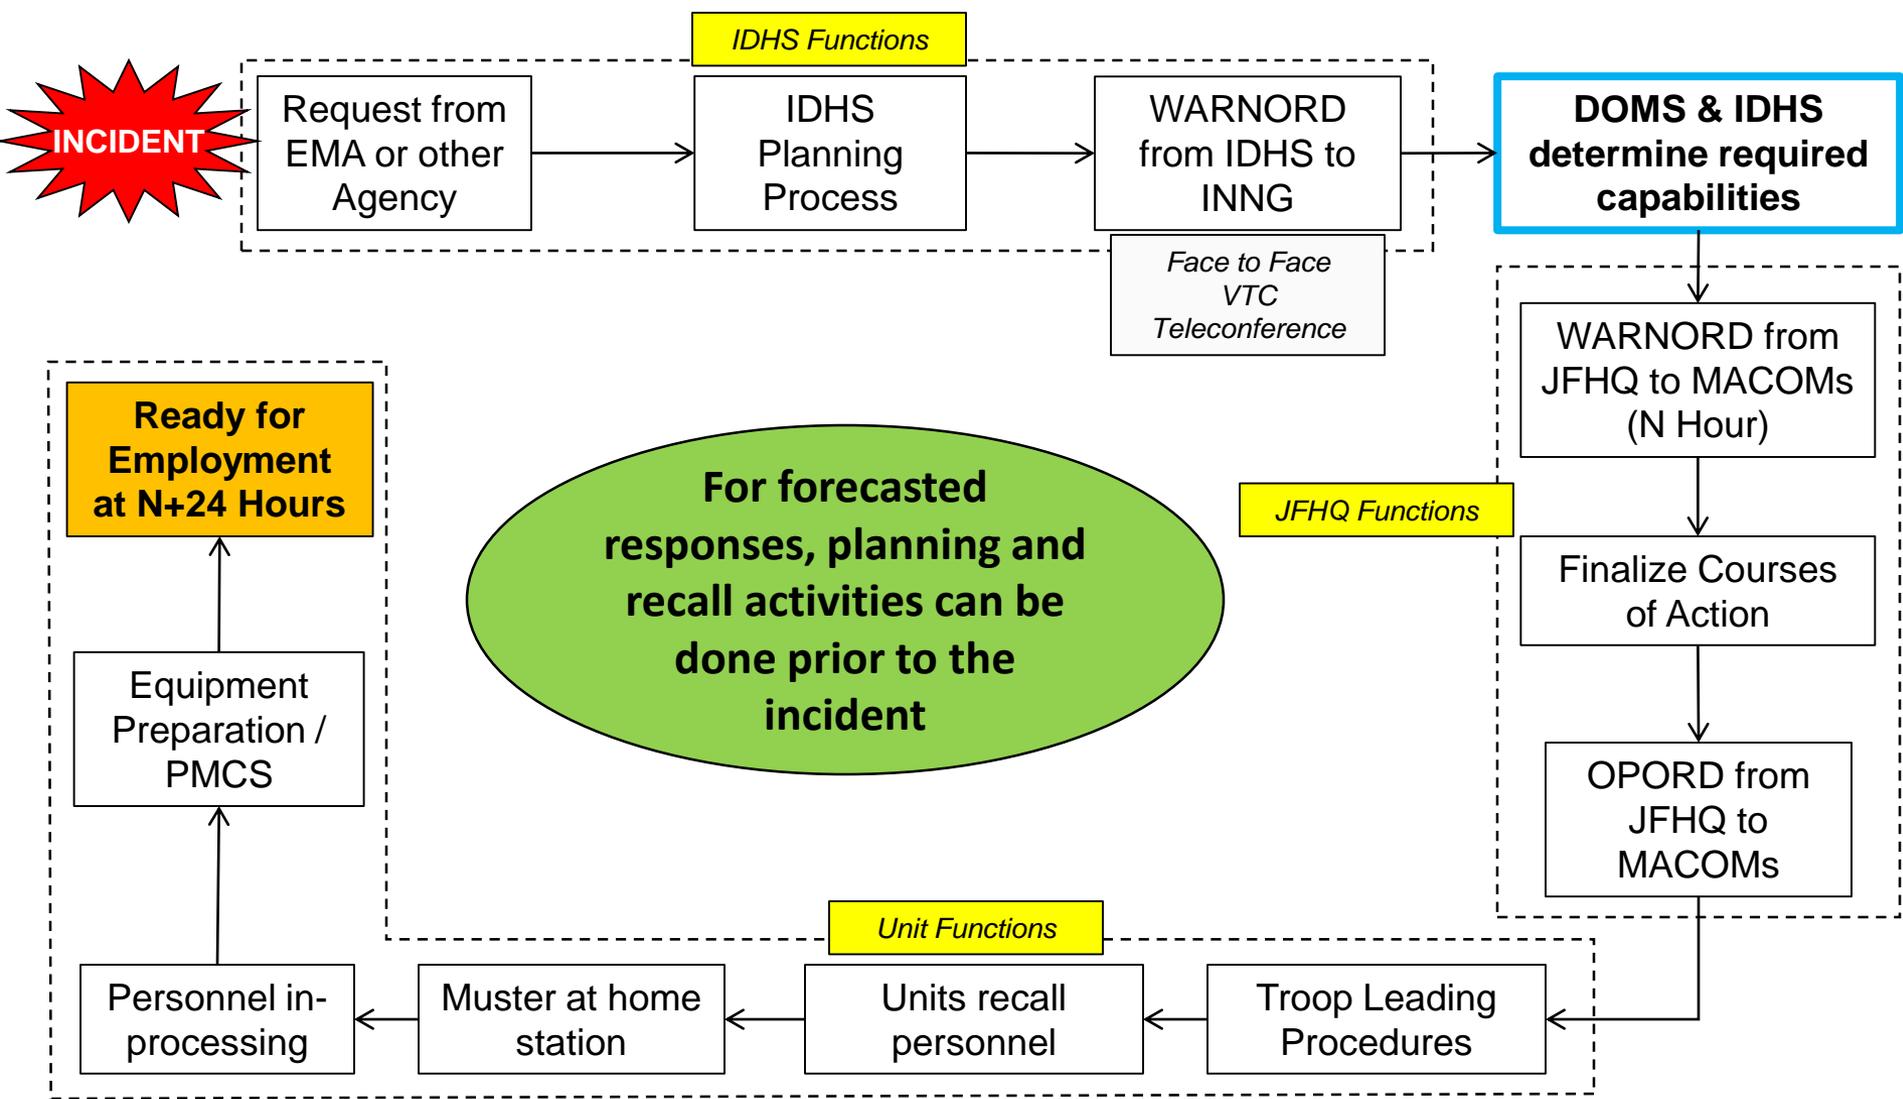

WHY THIS IS IMPORTANT

The onset of Russian Aggression and the deteriorating security situation in Europe will only strengthen and continue to validate the importance of this partnership.

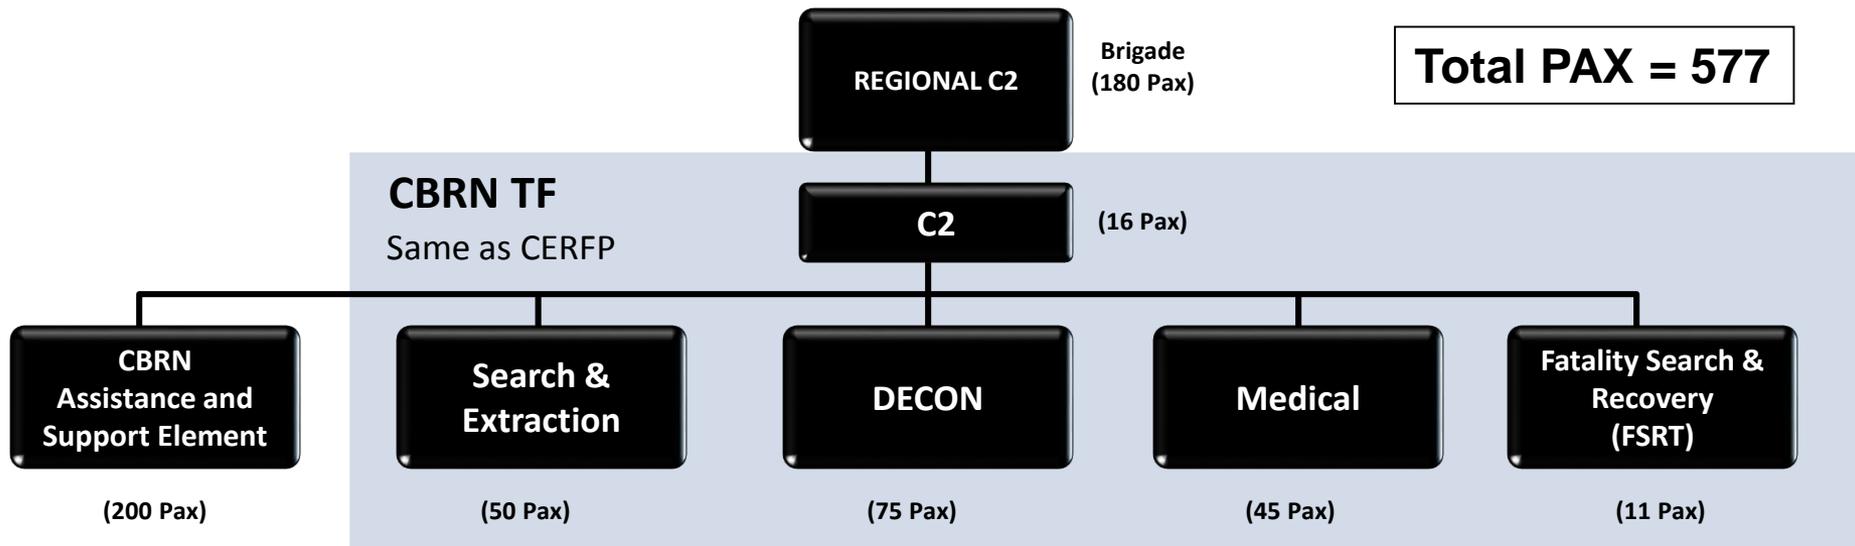

INNG Response Capabilities

Operational Environment
Spectrum of Capabilities

MISSION: When directed by proper authority and upon consent of the Governor(s), the Homeland Response Force (HRF) alerts and assembles within 6-12 hours; on order, deploys and conducts command and control; casualty assistance; search and extraction; decontamination; **medical triage and stabilization** to save lives and mitigate human suffering. On order, transitions operations to civil authorities and redeploys.

KEY CHARACTERISTICS:

- Operate under the control of the Governor
- HRF's are validated by the TAG of each State
- Can operate both in a regional and national level
- 80% Commercial off the shelf equipment
- HAZMAT Awareness or Operations level certified
- Total of 10 HRF's one per FEMA Region
- All members ICS 100b, 200b, 700a and 800b trained
- **BDE C2 Bridges a gap between initial NG response and Title 10 capabilities**
- **CASE Security of site and general support**

- Provides standard personnel and equipment for mission planning
- Can be adjusted to meet a specific mission
- Aligned with Emergency Support Functions and National Guard Core 10 Capabilities
- Provides Daily Cost Estimate of Personnel and Equipment

Used for General Support Missions (Sandbagging, Traffic Control, Evacuation Support)

Multi-Function Force Package

Security Force Package

Used for Fixed Site Security and Presence Patrols

Used to reduce obstacles to open routes

Mobility Support Force Package

Highway Assistance Team

Used to rescue stranded motorist or assist first responders

Command and Control Force Packages

UNCLASSIFIED/FOUO

Multi-function Force Package (MFFP)

<p>a. MISSION: Rapidly deploy to the an affected area to augment emergency personnel with a wide range of response actions, including sandbagging, debris removal, security and other functions to support IDHS in restoring normal conditions.</p>	<p>b. TASK:</p> <ul style="list-style-type: none"> ▪ CS 1.1.1 - Provide Ground Transportation of Personnel ▪ CS 1.1.2 - Provide Ground Transportation for Palletized Materials ▪ CS 3.2.12 - Provide Sandbagging Support ▪ CS 7.2.1 - Provide Point of Distribution (POD) Operations ▪ CS 9.1.1 – Provide Urban Search and Rescue ▪ CS 9.1.12 - Provide Vehicle Mounted Search and Rescue ▪ CS 9.1.13 - Provide Rural Search and Rescue ▪ CS 13.1 - Provide Security Operations ▪ CS 13.1.2 – Provide Point Security Services ▪ CS 13.1.3 – Provide Area Security <p>PURPOSE:</p> <ul style="list-style-type: none"> ▪ Transportation of supplies and personnel to affected area ▪ Ground Evacuations ▪ Security of Impacted Areas ▪ Distribution of Supplies (Retail) 				
<p>c. ESFs: 1, 4, 9, 13 – Transportation, Firefighting, Search and Rescue and Public Safety and Security</p> <p>ESSENTIAL 10: Engineering, Logistics, Security, Transportation</p>	<p>d. LIMITATIONS:</p> <ul style="list-style-type: none"> ▪ Mission capability does not include law enforcement ▪ Must be just-in-time trained for Swift Water Rescue Support ▪ NG does not perform swift water rescue, NG works in supporting role to civilian swift water rescue teams

Indiana Guard Reserve

- State militia in volunteer status
- Supports events such as Indianapolis 500, Mini Marathon by helping with traffic control
- No weapons, minimal equipment

Unarmed Response

- Response to natural disasters or similar low threat environments
- Soldiers provide labor and specialized skills and equipment

Civil Disturbance

- Riot control gear, such as batons and shields, helmets with face shields, protective masks, less lethal weapons, and riot control agents

Lightly Armed

- Body armor, sidearm, and radio
- Used to conduct presence patrols, augment LEOs, report information
- NYNG uses this posture for EMPIRE SHIELD

Fully Armed

- Soldiers armed and equipped like in combat
- Used to respond to high risk situations
- High deterrent effect
- Can look like overreaction

CRBNE

- Response to major disasters involving Chemical, Radiological, Biological, Nuclear, or High Yield Explosives

Capabilities can be blended - eg. civil disturbance equipped troops can be backed up by fully armed soldiers to respond to active shooters

CBRNE - CIVIL SUPPORT TEAM (CST)

ARNG/ANG

<p>a. MISSION: Support civil authorities in the event of a CBRNE incident by identifying CBRNE agents and substances, assessing current and projected consequences, advising on response measures, and assisting with appropriate requests for additional support resulting from intentional or unintentional releases of CBRNE and natural or man-made disasters in the United States which result or could result in the catastrophic loss of life or property.</p> <p>Also Swift Water Rescue and Technical Rope Rescue qualified.</p>	<p>b.
