

## Keystone Classic Stall & Shavings Reservation Form

All reservations for stalls need to use this form. All stalls **MUST** be prepaid by May 17 in order to ensure enough stalls are available for those attending the show. (To determine if portable stalls are necessary).

If you do not send in this form with payment by May 17th, we cannot guarantee there will be stalls available for you. Stall fees are \$80.00.

Shavings will only be available from the show grounds. You are **NOT** permitted to bring your own shavings. Straw is not permitted. You can pre order your shavings but payment is not necessary until you are at the show. Shavings are \$7.50
