

# A SERIES OF FORTUNATE EVENTS

## SUPPORT INCLUSIVE ARTS!

Arts Access presents A Series of Fortunate Events, five talent showcases featuring artists with disabilities throughout the month of May 2017. Providing adults and children with disabilities a platform to control the narrative and celebrate what it means to be a person with a disability through film, music, theatre, literature, and visual art. Arts Access invites you to spend the month of May supporting our mission to make the arts accessible to everyone by attending A Series of Fortunate Events!

## ABOUT ARTS ACCESS

**MISSION:** make the arts accessible to children and adults with disabilities.

Arts Access is North Carolina's only non-profit organization dedicated solely to making the arts accessible to children and adults with disabilities. Founded in 1984, the organization has spent the past 33 advocating for the rights of people with disabilities and working with cultural arts organizations to build inclusive programming. The organization does not operate its own gallery or performing arts space, but has a wider reach, focuses on making of North Carolina's abundant arts opportunities more accessible to all people.
