ADVERTISING MADE EASY IN E DALMATIANS

We live in an “electronic age”. New technology is growing rapidly and it can be very hard to keep up with all the new concepts, gadgets & modern services that are now common place in our society.

We have changed the way we talk on the phone, listen to music, watch movies on TV & obtain our day to day information (with the ever popular Social media).

Our communication has changed too as we find ourselves emailing, texting, blogging & tweeting to “socially connect” with each other to gather information. The inventions of Cell phones, I pods, Blue Ray devices, computers & more has thrust us into a technology driven world that we are now part of (despite many who are still kicking & screaming in protest)

With all this “modernizing” of how we communicate & entertain ourselves, it is no surprise that the publishing world is changing too.

I came to the realization many years back that Dog Publications should integrate in this “high

tech” world. People should be able to advertise their dogs, breedings, wins in an affordable timely on-line publication.

Many people have websites & various Social Media sites to show off their dogs & photos but viewers have to go to many different sites to view dogs & many just don’t.

E Dalmatians is easily accessible and FREE for all to view. Our subscriber base has grown rapidly thru our 10 years of Electronic publishing. People are realizing the value of this format to “show off” their dogs and brag on their wins & more.

So? How do you advertise E Dalmatians? It’s easy..

ABOUT OUR ADS:

All our ads are in color & created in a “wide-screen view” equivalent to a 2 page spread.

This allows more room for your ad material and you get 2 pages for the price of ONE AD!

This includes all Specialty Club Ads as well.

We can design your Ad (for FREE) or you can send us a finished AD.

WHERE / HOW TO SEND ADS & ARTICLES:

E mail us to request an ad. We will respond quickly & work with you on all you need for your ad. All ads can be done electronically by sending us photos & information via email. If you need to send hard copies of photos or CD’s, we can accept them at our mailing address.

INFORMATION WE NEED TO PROCESS YOUR AD

- 1) What type of ad you want (Full page/ Litter announcement/ Club announcement, etc.)
- 2) Are you submitting a finished ad or do you need us to design your ad.
- 3) Payment for your ad. (We must receive payment before we begin your ad).

INFORMATION WE NEED IF WE ARE TO DESIGN YOUR AD

- 1) Photo of your dog (high resolution of 300dpi or greater)
- 2) Information about your dog (registered name / Sire & Dam/ Breeders/ Owners).
- 3) Text/ copy for the ad.
- 4) Any additional info (logos, graphics, background requests, etc)
- 5) Additional design fees are required for more than 1 revision or for custom designs (photo editing/ removal of

backgrounds, special graphics, etc.) and also for more than 4 photos per Ad.

PHOTO /AD SPECS IF YOU ARE SUBMITTING A FINISHED AD

Submit final ad in PDF format , 300 dpi or greater.

1 page (landscape) spread of 15”W by 9” High

Note that any info in the middle/ seam will be lost in the fold of the Printed version.

TEXT ARTICLE SUBMISSION

Text articles can be submitted as email attachments or in a .DOC file (Microsoft Word). We do not pay for articles All articles (unsolicited & approved), we will published at no charge.

CLASSIFIED ADVERTISING

We offer a special classified section of all our E Magazines.

If you would like to have a small ad or a breeder listing run for the entire year, this is for you!

CLUB SPECIALTY ADVERTISING

We offer discounts for Breed club Specialty ads. Advertise your upcoming Specialty . Send us photos & results and we will put together a post Specialty photo spread in the very next month’s edition at a discount price.

SUBSCRIBER INFO

You can subscribe for free directly on our website & receive the most recent news & information regarding our E Publications before the rest. If you have subscribed & are not receiving our monthly emails announcing our specials & new releases, check your Spam folder as our mail service may not be recognized by your email host & be filtered.
