DogWatch Navigation LLC Privacy Policy

You will receive communications from us if you have ever signed up for a free offer, free webinar or have purchased a program or coaching services from **DogWatch Navigation LLC**. If you wish to unsubscribe, there are three methods available to you. We use Sitebuilder as our service provider and only collect names, emails and phone/SkypeID through webforms on our website or via an API through PayPal.

If you would like to be removed from DogWatch Navigation's list, you will always find an Unsubscribe link at the foot of every email you receive from us. Click on that link and you will be removed immediately from that specific list.

The second option is to stay on the list of the product you purchased AND request to be removed from receiving any further promotional material (free information, offers and/or webinars or any information about new products or services). Please contact us challberg@dogwatchnavigation.com and request Option#2.

If you would like to be removed from all lists, contact us at challberg@dogwatchnavigation.com and request to be removed from all lists (Option#3). Please note: if you have made prior purchases you will also be removed from those lists and you will not receive any special invitations or updates regarding your past purchases.

Additionally, you have opportunities to share your name and email via the Contact Form on our website, via a Sitebuilder information form on our website or by leaving a comment on a blog post. This contact form is hosted by Google Cloud Server. These details are NEVER shared with anyone else outside of the business. Your personal details are only used by myself or a member of my team to connect with you via email or telephone/Skype to answer your inquiry or to gather information prior to a conversation about one of my services or programs on offer.

The blog app on our website is provided by Sitebuilder. The comments section includes a Facebook comments plugin. This plugin is governed by Facebook privacy and content policies.

You will be able to receive communications again from us in the future by purchasing a product or signing up for any of our free information, offers and/or webinars or any information about new products or services.
