

"Love does not just sit there, like a stone; it had to be made, like bread, remade all the time, made new."

Ursula LeGuin

Your wedding ceremony should be as unique as the two of you! There are no absolutes in a wedding ceremony, save a few words required by law. Every other aspect of your ceremony is up to you! Be as traditional or creative as you wish!

Together, we will work to craft a ceremony that demonstrates who you are as individuals and as a couple. Your ceremony will incorporate your personalities, your beliefs, and the important aspects of the commitment you are making to one another.
