About

WHAT WE DO

We specialize in ironmongery specifications as we as distribution and sourcing the best local and international quality products. We are suppliers of door handles, locks hinges, bolts, door closets and more. We deliver a most comprehensive range of Architectural Ironmongery and builders hardware. Manufactured by the use of the latest production techniques and finishing processes this range comprises a wide selection of Builders and Architectural Hardware in Brass, Bronze, Aluminium, Zinc Alloy, Stainless Steel and Plastic materials.

HISTORY

Builders' Hardware Centre, now known as BHC was initially opened by Victor Buckler as a small family business in Cameron Street in 1962 and moved to our current location, 26 Rezende Street, in 1964. Victor's son Byrne Buckler carried on the company and expanded the operations until 2011 when he passed away and his son Sean Buckler took over the family tradition.

QUALITY POLICY

At BHC, It is our aim, to provide to costumers a quality product and service that meets their requirements and expectations, in a cost effective and professional manner. To achieve and maintain the required quality and to ensure adherence to the foremost requirements and industry standards for service and delivery of our product. At BHC, we have the ultimate responsibility for finest and international quality standards for entire product range cater by our stores. We shall continuously upgrade our Product and service quality, Communication facilities and the skill sets to meet customer requirements efficiently.
