### Financial Requirements

According to our policy to make the course program of LICU available to all students at the **most affordable tuition cost**, our payment plan is based on the **one-course-one-payment-scheme**. Thus avoiding students to run up any unnecessary debt through high tuition expenses required at the beginning of their degree courses.

**Note:** fees are listed in Euros (applicable for students living in countries using the Euro currency) and British Pounds (applicable for students living in any other countries within Europe, not using the Euro currency). Exchange rates of special offers are set based on currency values (March 2017) and other deciding factors (such as transaction fees etc).

#### Application and Start-up Fees

- Application & handbook fee: £50/€50
- MLE application: £30/€35 (optional)
- MLE award: £9/€10 per undergraduate credit hour – 1 year max: £270/€300  
£13/€15 per graduate credit hour – 3 courses max: £117/€135
- Matriculation fee: £260/€300 (*if someone transfers in with sufficient credits for a bachelor degree for example*)

#### Course Tuitions (per course/3 credit hours)

- Undergraduate £150/€170
- Graduate (master) £185/€210
- Post-graduate (doctorate) £200/€230

**Note:** Your course tuition covers your student fees, the 3 credit hours per course and the administration of the academic student affairs (*including the processing of course exams and research papers etc.*) Not included are textbooks and postage & packing fees – please see below.

Also you will receive a **student's handbook** at the beginning of your studies, which is the first course you are studying as part of your enrolment requirements. The student's handbook and application fee is available at a **special price package for £50/€50**. (*Note: for correspondence students receiving their documents as printed materials, please add the applicable postage & packing fee.*)

#### Textbooks

Textbook reading requirements apply to all students studying for their master and doctoral degrees. Undergraduate students (*years 1-4, including bachelor students*) have

the option of reading the books listed as “recommended reading,” which will be accredited to them as a bonus and can serve the improvement of their final grade (*e.g.: an “B” becomes a “B+”*).

All textbooks can be ordered through our office or at your local bookstore (*for students living outside of Europe*). Please contact our office for more ordering details.

### **Writing Tasks (professional binding of finished writing tasks is calculated extra)**

- Bachelor thesis (50 pages - 3 credits) £260/€300
