## **AFTERNOON CAR LINE**

The Pick-Up plan shared with the police indicated that those waiting in the Car Line in the afternoon would extend the line down 3rd street. This keeps the congestion at the Third Street and Locust Street intersection to a minimum. There are also no driveways on the church side of Third Street. This lessens the impact on our neighbors. FYI - There is virtually no line at 3:30 p.m. I encourage you to consider coming between 3:30 and 3:40 to avoid any line or congestion. I appreciate your cooperation.

## **GOING HOME**

Students should know how they are going home when they get to school. Please contact the office should this change

## **JOB OPPORTUNITIES**

**School Cook:** St. Peter's is accepting applications for next year's school cook through January 20,2020.

**PreK Assistant:** St. Peter's is accepting applications for next year's PreK Assistant through January 20,2020.

Anyone interested in either position may pick up an application from the office.

## **SAFEBOLTS**

The final part of the DOJ Safety Grant, SafeBolts, were installed over the Christmas Break. This is a lock that allows a door to be secured with a push of a button. It can only be unlocked from the outside with a key.

## **MORNING ANNOUNCEMENTS**

Friday Announcements have and will continue to include a riddle for students. This week we had our first Monday - Fact or Fiction Statement. A statement is read and students need to do some research to determine if the statement is Fact or Fiction. This week the statement was, "A crocodile cannot stick its tongue out." This statement is true - a crocodile can't stick out its tongue. Students who turned in correct answers, including where they found the support for their answer, were included in a drawing for a small prize.

## **LAMP / YOUTH CARNIVAL**

Following the 10:30 a.m. church service on Sunday, February 23rd, the LAMP (Lutheran Association of Missionaries and Pilots) Mission Team and St. Peter's Youth will be holding a carnival at the school to raise money for the LAMP mission trip to Garden Hill, Manitoba. Each year the team travels to the First Nations Reserve to spread the Gospel message by leading a week-long Vacation Bible School in the community.

There will be food, games, and a silent auction. Please stop by and have some fun while supporting our missionaries!

If you are looking for another way to help, there is a giving board located in the entrance of the school. You may donate items posted on the board by placing them in the tote near the board, or by delivering them to the school office.
