## IT'S STILL ALL ABOUT JESUS

*Jesus Christ is the same yesterday and today and forever. Hebrews 13:8*

**OSBOURNE BOOK FAIR HAS RAISED \$600 IN FREE BOOKS FOR OUR SCHOOL!!**

### SO WHAT DOES THIS PICTURE MEAN TO ME?

This image was created for me by a friend. I use it as a way to explain Lutheran schools.

The figures above ground represents Jesus, Family, St. Peter's and others working together for the benefit of the child. The child's foot represents the "seed" containing their God given gifts and talents. A main "tap root" goes deep into God's Word through the work of the Holy Spirit.

The soil is full of nutrients available through the school to assist parents in the development of the gifts God has given their child. The roots branch off into the "nutrients" provided through the school. Perhaps the child has been gifted in athletics. St. Peter's has "nutrients" to help that talent grow. Perhaps they are gifted in academics. If so, St. Peter's has "nutrients" for that development as well. However, the main function of St. Peter's is to assist parents in the faith development of their children by providing opportunities for children to exercise their faith through service projects and caring for others. Through these opportunities children learning how Christians work and live together. Some schools educate for the future. At St. Peter's we educate for the future AND BEYOND!

All activities and interactions are based in God's word. The roots continue to grow and provide a stronghold in Christ that provide the anchor to withstand life's storms.

Enjoy your Easter Break!
