## IT'S STILL ALL ABOUT JESUS

*Jesus Christ is the same yesterday and today and forever. Hebrews 13:8*

## 4<sup>TH</sup> QTR CHAPEL OFFERING

We are going to spread our generosity around to those throughout our community during the 4<sup>th</sup> qtr of school. We will be collecting new or gently used shoes and stuffed animals for the Safe Harbor Homeless Shelter and our chapel offerings will be sent to the Reedsburg Ambulance Service to purchase stuffed animals for children being transported by ambulance.

**SCHOOL SURVEY** The school online survey will be open starting April 16 and close on April 30. A link will be sent via FastDirect on April 16 for parents to take the survey. Please allow 10 minutes to take the survey. A paper version of the survey is available upon request from the office. Students will have an opportunity to take their survey at school.

The following groups have the opportunity to take the survey: Students in grades 1-3, Students in grades 4-8, Parents, Teachers, and Church Members. The information from the survey and other information will be used in the development of the strategic plan for St. Peter's Lutheran School over the next 3-5 years. A summary of results will be shared once the results have been tabulated. Please contact me if you have any questions.

\*NOTE: The Survey and Strategic Plan are part of our Accreditation Process.

**GALA** The next project of Gala funds is gym safety and enhancements. The pictures below give you some idea of what the project entails. The project consists of three parts. Replacing the current mats with mats that cover the entire width of the court. This will improve the safety of the gym. Adding a traversing wall in the corner by the equipment room and repainting the gym make up the enhancements planned for the gym.

One item for auction this year is for a student to be **Principal for a Day**. The student will be excused from classes for the day and have a day full of activities. Some of the activities include delivering donuts to their class and the faculty. Joining myself and a friend of their choice for lunch at a local restaurant and make classroom observations just to name a few things. They will also receive a name plate for the door and have business cards made. Pictures will be taken through the day as a remembrance. Much more fun is planned, but this will give you an idea of what Principle for a Day entails.

I want to thank all the ladies who have been working this year to make this project possible. Their efforts and your support have made the security and access control system possible as well as the new playground.
