GO LADY TIGERS!!

The Tiger volleyball teams celebrated the end of their season with a Pep Rally, Parent's Night and fun banquet including the famous Parents vs. Players games. Both teams had great seasons and showed much improvement along the way. The B-Team finished the season with strong serving, great volleys and fantastic team spirit. A-Team showed their aggressiveness in attacking the ball and scrappy play, letting very few balls drop on their side of the court. Great job ladies, can't wait for next season!!

Survey and Chat Information Continued...

Discipline: Over 80% of parents agree with the discipline code at St. Peter's. Some improvements were suggested by parents and teachers. It is important for students and parents to understand the classroom rules and expectations. Teachers shared their classroom rules during the before school home visits. Parents are welcome to contact their child's teacher at anytime with questions. A "Pink Slip" system is being used this year to improve consistency and track repeat offenders.

From the Parent/Student Handbook:

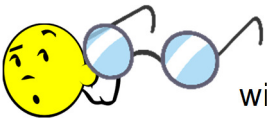

St. Peter's uses a "Pink Slip" system to track student conduct. This is part of the teacher's classroom plan and is used when a student's behavior warrants. It is a communication tool between the teacher, parents and principal. It allows the teacher and parent to work together to improve the student's behavior. Students serve a 50-minute detention with their teacher should the student receive 4 pink slips in one quarter. Students will serve a 50-minute detention with the principal should the student receive 8 pink slips in one quarter. In addition to the principal detention, a meeting with the parents, teacher and principal will be held. The purpose of this meeting is to work together to improve the situation. All pink slip counts start at zero each quarter.

A Parent comment from the survey: St. Peter's does an outstanding job educating our children about God and our faith, which should be the first and foremost goal. The school has a safe and family-orientated atmosphere which makes me as a parent feel incredibly comfortable and proud to send my children to school there. My children have had a wonderful education thus far and truly enjoy going to school each day. We would never think to go anywhere else but St. Peter's Lutheran School.
