### Survey and Chat Information Continued...

**Lockers for Grades 6-8:** Comments for the need of lockers for the 6-8 grade were received by students in all grades, parents and teachers. Students in grades 6-8 needed to carry all their books and supplies with them through the day as they changed classes. Having lockers available for them would allow them to only carry the books needed for the current class period.

We have been blessed with a donation by Vierbicher & Associates. They donated lockers that are currently used by our 7&8 grade students.

### More comments from the survey:

**Gr. 1-3:** You get to learn and read and make new friends here.

**Gr. 4-8:** We get new stuff for our school, has school field trips that other schools don't.

**Parents:** Wonderful school. Amazing staff.

**Teachers:** Value each child/family as members of our family.

**Church Members:** Keeping the Bible as its chief source of guidance
