Principal Chat: I will include topics and information that was shared at the Principal Chat on February 6 in the next few Tiger Prints. Today's topics are:

Snow Make Up: As of Thursday February 7, 2019, St. Peter's will need to make up three days and two hours of time. No decision has been made on how this will happen. We are interested in how Reedsburg School District will address this issue as this could have an impact on the options available to us. We will let you know as soon as a decision has been made.

Accreditation: The school's Accreditation is up for renewal during the 2019-2020 school year. An Accreditation Verification Team is scheduled to be here in April of 2020. We are in the process of forming the required committees. This process involves a lot of people. Please contact me if you are interested in serving on a committee or just want more information.
