## FROM THE PASTOR

Dear Members and Friends in Christ,

Spring is almost here! Well maybe it doesn't seem like it. As I write this newsletter article, it is only twenty-eight more days until it is officially spring. However, as I look outside, I see the snow on the ground. We have also had some very cold days. There have been many days in which the children have not been able to go out and play. I long to see warmer days and new life come forth. I look forward to being out in the garden again. Yes, my friends I am getting spring fever in a big way. How about you?

Spring is one of my favorite times of the year. It reminds us of new life for God's creation. It is a season in which we remember that God is the giver of all life. He brings forth new life by His almighty power and love. However, thankfully, He not only brings new life to the earth. He has also brought new life for all people through Jesus. All of us, including myself, would have been lost forever in our sin if it were not for God and His wondrous love. In his totally undeserved mercy, God has brought new life for us so that we may live with Him and for Him. He sent forth His only Son to pay for the debt of our sins by dying on the cross in our place. Jesus conquered sin, death and the devil and rose from the dead on Easter Sunday morning to prove His victory and restore us to God.

All who by God's grace believe in Christ as their Savior have new life and the assurance of eternal life in heaven. In our baptism, we have been washed, cleansed and made children of God. He continues to strengthen us in faith and empower us to live the new life through His Word and Sacraments. He will keep us in His love and faith in Jesus until the day in which all things will be made new. The Apostle Paul writes in 2 Corinthians 5:17, "If anyone is in Christ, he is a new creation; the old has gone, the new has come!"

What wonderful things to think about and remember as spring will hopefully soon be evident in our land, even though it may not look like it as of yet. In a greater way, no matter if it may seem like it or feel like it in our life, we certainly do have new and eternal life now in Jesus. We give thanks to the Lord for the new life that is seen in our world and given to us personally in Jesus. For without Him we would have no life, but in Him we have abundant life now and forevermore. These are some comforting things to consider even in the midst of spring fever.

I also encourage all to join us in worship regularly on the weekend, our special midweek services and to get involved in one of our many Bible Studies. May we abiding in Him through His Word in worship and Sacrament ever be enabled to be united in mission and ministry as we follow, trust and proclaim the glorious message of our Victorious Savior to all.

God's richest blessings to you in Christ our Lord,

*Pastor Paul Crolius*

## LADIES AID

St. Peter's Ladies Aid met on February 6, for the Volunteer Appreciation Luncheon. We appreciate and thank all the ladies that help and bring food for our funeral luncheons. We could not do it without their help.

Our guest speaker was Karen DeSanto from the Boys & Girls Club of Reedsburg. She explained what the organization does for the boys and girls in the community. When the Club was started, she found the Reedsburg Community very receptive. Their mission is for boys and girls to reach their potential.

Ladies Aid is hosting the Lenten Supper on Ash Wednesday, March 6 at 5:00 p.m. in Concordia Hall. The menu will consist of hot ham sandwiches, scalloped potatoes, baked beans, salad and desserts. A free will offering will benefit the Church Roof Fund.

Join us each Sunday morning at 9:15 a.m. in the school for a fun and exciting year. If you or someone you know may be interested in helping out with the Sunday School program, please contact the church office, 524-4512. Sunday School will include 3-year-old pre-kindergarten thru 6<sup>th</sup> grade.

## ROOF REPAIR TO GO FORWARD

The Voters' have passed a motion to go forward with the church roof repair project at a cost of approximately \$192,000, with the Board of Trustees to secure a company to complete the project. Construction could begin in early spring. If you would like to donate to this project, please mark "Roof Project" on your envelope or use the envelope inserted in your bulletin and place it in the collection plate. Let us figuratively "**BLOW THE ROOF**" off this fund-raising so we can pay cash for this expense!

**Our 2019 Lenten  
Midweek Series is  
entitled:  
“A Lent to  
Remember”**

As people get older, they sometimes find themselves writing lists of important things that need to be remembered. Throughout the Scriptures, God's people are told many times how important it is for them to remember—to remember His wonderful works on their behalf and to recall all that He has done for previous generations. In the liturgy we speak and the hymns we sing, we are using treasures entrusted to us by former generations. They contain words and ways that God's people in the past used to help them remember all that God has done. God grant that we find blessing in sharing that remembering!

We will again have a Lenten pulpit exchange for our Midweek services. Neighboring pastors from our sister congregations will be involved in the leading of the services. Therefore, the themes presented below with not necessarily be in the order listed. However, these are the themes we will consider for Midweek Lent.

1. Ash Wednesday: Remember Dust, *Psalms 103:13–14*
2. Lenten Midweek 2: Remember Wondrous Works, *Psalms 111:4*
3. Lenten Midweek 3: Remember Jesus' Words, *Luke 22:61–62*
4. Lenten Midweek 4: Remember the Covenant, *Psalms 105:8*
5. Lenten Midweek 5: Remember Sins No More, *Jeremiah 31:34*
6. Lenten Midweek 6: Remember Steadfast Love, *Psalms 98:3*
7. Maundy Thursday: Remembrance of Me, *1 Corinthians 11:23–26*
8. Good Friday: Remember Me, *Luke 23:39–43*
9. Easter Day: Remember Jesus Risen, *2 Timothy 2:8, 11*

**GO LADY TIGERS!!!**

The St. Peters A-team girls' basketball team has been off to a very snowy start! In a slow start to the season, the first 2 games did not disappoint fans one bit. The scrappy Lady Tigers battled with Sacred Heart all game to lose by two points in an inner-city duel and against a tall St. Mary's, Portage team they lost in a very exciting, back and forth game by only one point. The A-team this season is comprised of two 8th graders - Madeline Corbin and Abby Van Coulter, four 7th graders - Searra Stowers, Chloe Klitzke, Abby Alcantar, and Emma Herritz, and two 6th graders - Kylee Molitor and Brianna Van Coulter. As the season continues, the Lady Tigers have now had back to back wins as they head in to their final games on the road. You will most certainly be entertained by this great group of basketball players and their determination. Go Tigers!

#### **SAFETY GRANT UPDATE**

We have received many of the items requested as part of the Safety Grants offered by DOJ. We have also been reimbursed for all the items we have received. Below is a list of equipment we have received and what we are still waiting to be installed.

1. The intercom system is about ninety percent completed. We thank Triple H Construction, DC1, Breneman Builders and JW Electric for their help in installing the system.
2. Classroom Lock Out Shades have arrived and will be installed when the SafetyBolts Locks are installed.
3. The SafeBolt Locks have arrived. The lock cylinders will be keyed soon. Once they are keyed, they will be installed on the doors.
4. The window film needs to be installed in warmer weather. The company has many schools to do across the State. We will receive an installation date once the weather warms up.
5. The Medical Trauma station has arrived and will be installed with the door locks and window shades.
6. We have not received the four ADA approved door handles for the office area. There was a mix up in the order.

Part of the requirements of the grants, are members of our staff would receive training. Mr. Dehn, Mr. Rogers and myself will have attended all the required training by the time you receive this newsletter. In addition to this training, all staff with contact with our students are required to complete eight online training modules. Another requirement of the grant is the formation of a Threat Assessment Team. The purpose of this team is to intervene in potential situations before they become a

major issue. That is the core of the training we have received. We will be working with Reedsburg Public School in forming this valuable team.

It is a blessing to be in a State where they see the value of school safety and financial support all students being able to attend a safe school.

#### **ACCREDITATION**

The school's Accreditation will be renewed during the 2019-2020 school year. We began forming the necessary committees. This process involves a minimum of 28 people.

The committees study the school ministry in seven areas, namely: Purpose, Relationship, Leadership, Professional Personnel, Teaching and Learning, Student Services and Facilities.

Please contact me if you are interested in serving on a committee or just want more information.

#### **REGIONAL SPELLING BEE**

Kaylee Gleash (8th grade) and Ashlyn Mathews (6th grade) traveled to Portage on February 5th, for the Regional Spelling Bee with the opportunity to advance on to the Badger State Spelling Bee in March. Congratulations ladies!!! Kaylee placed 2nd and will be an alternate for the State Competition. Ashlyn placed 15th out of 27. Making St. Peter's PROUD!!!!

#### **SURVEY COMING IN APRIL**

This survey is an annual requirement of our School Accreditation. The survey last year indicated that church members have an interest in finding out about volunteer opportunities at school as well as being better informed of that is happening in the school ministry. We have not forgotten about these goals. The truth is we have not made much progress on them either. One way you can help is to let me know how you prefer to receive this type of information. One easy way to find out about school happiness is to provide the office with your email address and we will send you the weekly newsletter. I encourage you to complete the survey in April. Your opinion does matter and helps to improve the St. Peter's Ministry.

## **NATIONAL LUTHERAN SCHOOLS WEEK CELEBRATION**

## **THANK YOU**

Hello, I want to thank you once again for blessing me with a scholarship. The continued support I have received from St. Peter's Lutheran Church has been huge in the pursuit of my college degree. With the Church's help I will be able to achieve my dream of teaching in a Lutheran school. I would also like to say thank you for keeping me in your thoughts and prayers. God's Blessings,  
Aaron Finkel.

**CHRISTUS CHORUS CONCERT**

**Friday, April 12, 7:30 pm  
at St. Peter's Church**

Everything we have and everything we are is a gift of God's providential care. We understand that we're not islands unto ourselves. We could not exist without those who have gone before us and those who walk alongside us. God has given us forefathers in family, country, and faith. We are recipients of what God worked through them. We know God provides for our well-being through these means.

He gives us farmers and ranchers so we can eat. But more than that, God created and gave us all the things those farmers and ranchers cultivate. He gave us the corn, the beans, the wheat, the cows for milking, the steers for grilling. He gave each of those things for our nourishment and sustenance. Without God creating and instilling in those things their taste, their nutritional value, etc., we would not exist.

God gives us doctors, surgeons, nurses, and hospitals. He gives us medicine and medical instruments, and, of course, He gave us everything to make those medicines and medical instruments. He instilled in those things the properties to be utilized for those purposes. Without God creating and instilling healing properties into those things – and without God creating the ability within man to learn this and implement it to serve our medical needs – we would not enjoy the health we do now. But there's more. He gives us gainful employment through our employers and provides for the necessities of life through the labor of our hands: "Then Moses said to the people of Israel, 'See, the Lord has called by name Bezalel the son of Uri, son of Hur, of the tribe of Judah; and he has filled him with the Spirit of God, with skill, with intelligence, with knowledge, and with all craftsmanship, to devise artistic designs, to work in gold and silver and bronze, in cutting stones for setting, and in carving wood, for work in every skilled craft. And he has inspired him to teach, both him and Oholiab the son of Ahisamach of the tribe of Dan.' " (Exodus 35:30–34)

And one step back from that, He has created and given us hands, and attached to hands are arms

with strength. He created us with minds to make those arms and hands move and accomplish the work set before us. And with that mind, He has given us reason and senses.

That mind, because of the reason God has instilled in it, is able to work through difficult problems before we press those arms and hands into labor. It allows us to grapple with concepts and run through scenarios instead of having to experience every situation personally. It allows us to learn from the mistakes, as well as from the accomplishments, of ourselves and others. This can be done for our entire body, all our skills and talents, everything that makes us ... us. So, everything we have and everything we are is a gift from Him. This is what we confess in the First Article of the Creed when we say that we "believe in God, the Father Almighty, maker of heaven and earth."

But that is just the First Article of the Creed. We confess two more articles that deal with God's provision for our spiritual well-being. He sent his Son to die and be raised on the third day for our justification. He delivers that justification through the means of grace (baptism, preaching and the Word of God, and the Lord's Supper). And to give you those means of grace, He gives pastors and teachers, etc. Literally everything we have and everything we are in this life – and the next – is an inexpressible gift from God.

And it is for this, all of this, that we give thanks. And that is what stewardship is all about — giving thanks for God's provision for us. To give thanks is more than having an attitude of gratitude, more than just a feeling in our hearts. It is an action. It begins in the heart, but it doesn't stay there. It works its way out through the mouth in praise for God's gifts and in love and charity through the hands to our neighbors in family, country, and church.

"For all this it is my duty to thank and praise, serve and obey him" (*The Small Catechism*, 16). So give thanks to God for His inexpressible gifts — for everything we have and everything we are. Do this not only in word but also in deed.
