Its purpose is “To identify and recruit thirty leadership participants serving in Lutheran schools and train them through two national SLED events conducted by LCMS School Ministry.” Congratulations Mr. Dehn.

INTERCOM SYSTEM IS OPERATIONAL

I am sure you have heard that the new intercom system is operational. The timing was perfect as the old system stopped working just before the break.

SAFETY IMPROVEMENTS

The summer will be a busy time as the other Safety Grant items are planned to be installed over the summer. This includes the window film, SafeBolt door locks and blackout window shades.

There are a few slots left on the NLSA Accreditation Committees. Please let me know by April 10 if you are willing to serve in this important process.

SURVEY

Part of the accreditation process is a survey each year. This year's survey will be open from April 11-30. Be looking for the link in the next Tiger Print.

IOWA SKILLS TESTING

IOWA Skills testing in grades 1st - 8th will continue through April 12, as needed. The majority of testing will be conducted in the mornings. It has been proven that a good night's sleep and a healthy breakfast will help students perform to their highest level. Also, please make every effort to have your child in attendance during these tests. All tests have to be made up and it is very difficult for teachers to fit this into their daily routine once the testing days are over.
