PRINCIPAL CHAT SUMMARY

There were some comments on the survey indicating that families were not aware of the School Improvement Plan. The School Improvement Plan is also known as the Strategic Plan. The current School Improvement Plan has five Goals.

GOAL #1

Host a Validation Team Visit as part of our accreditation through National Lutheran School Accreditation (NLSA) Committees have been working on the seven standards of accreditation to ensure our compliance with the standards.

GOAL #2

Develop and implement ways to improve the recruitment of volunteers for the school from the church and parnes. Back to School Night included a form where people could indicate where they would like to serve. This has already been used to provide cleaning and disinfecting of the Legos used by the LEGOS Club and the Portable message board being updated and used more frequently.

The other Goals will be presented in future Tiger Prints.

FIRST LEGOS CLUB

Here are a few pictures of the fun at the LEGOS Club Meeting on September 26.

LEA CONVOCATION

School is closed October 10 & 11 as our teachers travel to St. Louis for the Tri-Annual Lutheran Education Association (LEA) Convocation. The entire faculty are able to attend this uplifting and informative event through the generous support received through the Spaghetti Supper. Many Lutheran Schools are unable to send their entire teaching staff as it is cost prohibitive to do so. Thank you for your support to provide this valuable experience for ALL of our teachers!

MINISTRY IN MOTION

We are a school that parents seek to send their children knowing we will teach God's love daily. One goal a PreK parent wrote for their child read, "I want her to learn her value in the eyes of God."

KEEPING IT COOL!!

Recently during the warm school days, we have found the air conditioning units in the classrooms may be coming to the end of their usefulness. Most units are 10-15 years old and will soon need service work and/ or replacing. We are looking ahead at that expense and have started a "Keep It Cool" Fund. Often people inquire as to where a special gift or memorial might be directed. If you would like to contribute, please stop by the office. Thank you!

It is that time of year again when the planning begins for the Spaghetti Dinner & Silent Auction. Tickets will be coming home today with the youngest member of your family. If you are not able to join us, please offer your tickets to neighbors and friends and family.
