## **PRINCIPAL CHAT SUMMARY**

The Chat included a summary of the process and people who were involved in the development of the new drop-off and pick-up system. The new system is working well. It is unknown how winter will impact the system. It is possible that those who are currently parking and walking their children will make use of the car line in the winter. That is an option for parents that will eliminate the navigation of snow-covered tree banks.

## **LEA CONVOCATION**

The teachers traveled to St. Louis for a Convocation with over 2,500 Lutheran teachers. The theme of the Convocation was Opening Eyes, Minds and Hearts based on Ephesians 1:18. Our teachers were able to choose from hundreds of sectionals covering a wide range of topics. It was also a time of uplifting worship and fellowship. We thank everyone who works and supports the Spaghetti Supper. The funds raised through the Spaghetti Supper make it possible for our entire teaching staff to attend this valuable event.

## **CROSSING ASSISTANTS**

We are looking for some adult volunteers to help with students and families crossing the street at the corner of 4th street and North Pine after school. Please contact the school office if you are able to help provide this important service. Your service would start at 3:10 p.m. and finish around 3:40 p.m.

## **KEEPING IT COOL!!**

Recently during the warm school days, we have found the air conditioning units in the classrooms may be coming to the end of their usefulness. Most units are 10-15 years old and will soon need service work and/ or replacing. We are looking ahead at that expense and have started a "Keep It Cool" Fund. Often people inquire as to where a special gift or memorial might be directed. If you would like to contribute, please stop by the office. Thank you!
