ACCREDITATION

The NLSA Validation Team is recommending that St. Peter's Lutheran School be accredited for another 5 years. They highlighted the following as strengths of St. Peter's Ministry:

- St. Peter's is blessed with AWESOME teachers and staff. The way they work together and serve the children and families at St. Peter's is a huge strength.
- The security improvements
- The Technology available to the teachers and students.
- The building is clean a
- It is obvious that the school is a Christian School.

The school will receive a detailed report in a few weeks. The report will include recommendations for our consideration on ways St. Peter's can get even better. Those remediations will be the foundation for the Strategic Plan that will be developed for the next five years.

I will share the Strategic Plan once it has been developed.

I want to thank everyone who helped in this process. This does not mean we are done. The work begins soon as we implement the Strategic Plan.

TUITION DISCOUNT Be sure to turn in an attendance card when you attend services at St. Peters. We use the cards to determine who qualifies for the discounted tuition rate.
