PRINCIPAL CHAT SUMMARY

There were some comments on the survey indicating that families were not aware of the School Improvement Plan. The School Improvement Plan is also known as the Strategic Plan. The current School Improvement Plan has five Goals.

Goal#3 - Review and update the Math Curriculum as needed.

Goal #4 - Develop and implement ways to improve communication from the school to church members and parents concerning what is happening at the school.

Goal #5 - Prepare the teachers and students for the transition to the Forward Exam, the State Testing Tool.

Other information was shared at the Principal Chat that will be presented in future Tiger Prints.

CROSSING ASSISTANTS

We are looking for some adult volunteers to help with students and families crossing the street at the corner of 4th Street and North Pine after school. Please contact the school office if you are able to help provide this important service. Your service would start at 3:10 p.m. and finish around 3:40 p.m.

KEEPING IT COOL!!

Recently during the warm school days, we have found the air conditioning units in the classrooms may be coming to the end of their usefulness. Most units are 10-15 years old and will soon need service work and/ or replacing. We are looking ahead at that expense and have started a "Keep It Cool" Fund. Often people inquire as to where a special gift or memorial might be directed. If you would like to contribute, please stop by the office. Thank you!

SPAGHETTI DINNER & SILENT AUCTION

It is that time of year again when the planning begins for the Spaghetti Dinner & Silent Auction. Tickets were sent home with students last week. **Forms for your child to help are coming home today.** If you are not able to join us, please offer your tickets to neighbors and friends and family.
