## Capability Statement

www.cpjlogistics.com

**CP&J Logistics Corporation** is a Small, Women and Minority-Owned (SWaM), Service-Disabled Veteran-Owned Small Business (SDVOSB). Providing low risk, competitively priced services, encompassing capabilities in Program Management, Engineering, Information Technology, Logistics and IT solution development and product delivery for a diverse set of Federal Government, civilian and DoD agencies. We provide trained professionals to assist you in identifying the risks and implementing time-sensitive procedures to protect your operations. We also deliver innovative solutions to enable acquisition and program management organizations to fundamentally enhance their capability to reduce acquisition cycle time and cost, while enhancing the quality and fidelity of its acquisitions. From mission needs and requirements through procurement and program execution, CP&J Logistics helps the Government harness the powerful but often underutilized levers, techniques and tools to improve performance. CP&J Logistics specializes in practical hands-on solutions that drive and improve logistics performance, network security, and perform logistics, program and contract management oversight.
