.....

.....

.....

Please advise the yard if you require a supply of electricity during lay up Yes  No   
NB Electricity is supplied through a coin operated meter in front of main office on quay edge.

Signature of Owner.....Date.....

Please advise the yard if you require an early re-launch (prior to Easter) or if your boat is to be placed up for sale.

The yard now has it's own shipwright/repairs facilities so if it is your intention to bring in an outside Contractor to undertake any specialist work we need to be informed beforehand. Sub Contractors may only work in this yard with prior permission and fee may be charged.
