

Deb Ball Insurance - Palmyra Chamber of Commerce Featured Business

Deb Ball is an independent insurance agent located in Palmyra. Her ultimate goal is to create lasting relationships with each of her clients so that she may continue providing excellent service for them.

“Many consumers do not understand the importance of insurance and how it impacts every aspect of life,” Ball says. “Independent agents provide a service that consumers absolutely need. When the unexpected happens, your independent agent is the first person you call.”

When Deb Ball began her career working as a customer service rep, she quickly realized she was positioned to help friends, business owners and consumers in her community, to make a difference right in her own town. She knew she wanted to be an independent insurance agent, and 25 years later, Ball is still helping consumers in that capacity.

“The insurance industry is evolving at a rapid pace,” she notes, “and on all fronts. As we’ve reinvented ourselves to meet the demands of our industry, we also welcome the challenges that are presented, as well as the important role, we as independent agents play in our community.”

Deb Ball knows that being an independent agent is a very noble profession. “When someone asks what I do, I am proud to tell them that I offer protection for what people value most – life, health, personal and business assets.”

Whether shopping for auto insurance, home insurance, health, life or business insurance, she can help get the best coverage available, with the lowest rate possible, with one of the many companies available.
