Our 6-week tuition is determined by the total amount of time your child is taking dance class per week. To determine your family tuition you must add the amount of time each INDIVIDUAL student is taking per week. For Example: One child takes 1 hour class, and the second child takes 1 hr 45 min class each week (\$85 + \$115 = \$200 6-week tuition. It is not the cost of 2 hours 45 min; it is the cost of 1 hour, plus the cost of 1 hour 45 min.
