

WHICH WALK-BEHIND MOWER IS RIGHT FOR YOU?

Different yards call for different types of mowers. That’s why Cub Cadet® offers a full line of walk-behind mowers to suit your needs. Whether you have hills, trees or everything in between, we have the mower for you.

- Push Mowers**
Ideal for up to ¼ acre or less.
- Low wheel – Best for yards with minimal hills and obstacles.
 - High wheel – Best for yards with minimal hills and some obstacles.

- Front-Wheel-Drive Mowers**
Ideal for up to ½ acre or less.
- Low wheel – Best for yards with minimal hills and straight passes.
 - High wheel – Best for yards with minimal hills and some obstacles.

- Rear-Wheel-Drive Mowers**
Ideal for up to ½ acre or less.
- Low wheel – Best for yards with uneven terrain and hills, and for those who bag frequently.
 - High wheel – Best for yards with uneven terrain, hills and obstacles. Also, for those who bag frequently.

- Four-Wheel-Drive Mowers**
Ideal for up to ½ acre or less.
- Select the drive best for any terrain.
 - Engage 4WD for the toughest conditions.

SURESTART GUARANTEE® Certifies that your Cub Cadet mower (equipped with a Cub Cadet OHV auto choke engine) will start in 1 or 2 pulls for the duration of the 3-year warranty period or it’s covered!

FEATURES

- PROFESSIONAL-GRADE ENGINES
- SOFT-TOUCH GRIP HANDLE
- 3-IN-1 BAG, MULCH AND SIDE DISCHARGE STANDARD

FITS YOUR NEEDS. EXCEEDS YOUR EXPECTATIONS.

Keep your yard in pristine condition with our versatile line of walk-behind mowers. Push, self-propelled and wide-area models provide the right choice for any lawn up to 2 acres. And with industry-leading features such as durable cutting decks, enhanced driving systems and the Cub Cadet Signature Cut™, you’ll have the best looking yard on the block every time you mow.

Mow Like a Pro
Cover more ground with less effort, and experience the precision and cut quality usually reserved for professionals from our Cub Cadet Signature Cut.

Choose Your Control
Pick from a variety of advanced driving systems, including MaxControl™, the brand new selectable four-wheel-drive, and MySpeed™, the self-propelled option available on front-wheel or rear-wheel-drive mowers.

Superior Maneuverability
Breeze through curved landscapes and uneven terrain with options like front caster wheels and high or large pneumatic wheels in the rear.

Cub Cadet YOUR INDEPENDENT DEALER—EXPERT SERVICE. LOCALLY OWNED.
The advice, selection and support you need to find the right fit is at your local Cub Cadet Dealer.

THE MAXCONTROL™
ADVANTAGE.

Take control like never before with our first fully selectable four-wheel drive system.

- ▶ Select from front-, rear- or four-wheel-drive for any terrain.
- ▶ Ergonomic handles reduce vibrations, and locking levers allow for single-hand operation.
- ▶ Knobby tire treads and higher sidewalls offer superior traction on any terrain.

THE WORKHORSE
WALK-BEHINDS FOR
BIGGER JOBS.

Cover more ground with less effort using our wide-area mowers.

- ▶ Efficient 28-inch steel deck gets the job done up to 33% faster than standard 21-inch walk-behind mowers.
- ▶ Enjoy smooth engagement with the MySpeed™ premium drive control system or adjust to any terrain with a variable four-speed drive system.
- ▶ Maneuver around any terrain with options that include high rear wheels and front caster wheels.
