# STRONGER AT EVERY TURN

RESIDENTIAL ZERO-TURN RIDERS

**Where zero-turns help you bring your lawn to life.**

Your yard holds a lot of potential. And Cub Cadet® zero-turn riders are here to help you unlock it. Through purposeful engineering and thoughtful innovations, you're given a better all-around mowing experience. Now, greater durability and maneuverability meet superior precision to deliver cleaner cuts every pass, every time. Each Cub Cadet zero-turn comes standard with advances that lead to unmatched stability and versatility. All because we know the reason you put so much into your lawn is that you get more out of it.

**BUILT IN AMERICA SINCE 1961**

For more than half a century, Cub Cadet lawn and garden equipment has been proudly Built in America. Established in 1961, Cub Cadet continues to be designed, engineered and built using the highest quality components sourced locally and globally. Cub Cadet is a brand that represents American ingenuity at its best. Based in Valley City, Ohio, Cub Cadet is sold worldwide.

# POWERFUL CHOICES

## EXCEPTIONAL CONTROL

Cub Cadet® has created the industry's strongest lineup of zero-turn riders — all designed to deliver ultimate maneuverability, efficient performance and beautiful results. Whether it's a traditional lap bar or the innovation of steering wheel control — an advance pioneered by Cub Cadet — expect the kind of exceptional experience that only comes from the best.

### SynchroSteer® Technology

Zero-turn technology with zero learning curve. Four-wheel steering and steering-wheel control reduce mowing time and provide ultimate stability on hills. Plus, the patented synchronized steering system minimizes turf damage for an unbeatable cut.

### Lap Bar Control

Achieve beautiful results while significantly cutting mowing time compared to a traditional rider. Agile handling is combined with incredible comfort features like easy-adjust lap bars with full-length comfort grips and plenty of leg room.

## PRECISE CUTS

The difference is in the deck. With a suite of versatile options, Cub Cadet zero-turn mowers offer you three expertly designed decks to help you tackle the job. Choose from a stamped, fabricated or the exclusive AeroForce deck for a superior cut that leads to beautiful results.

### Stamped Decks

Stamped decks are engineered for greater air flow, meaning you get a more even cut. When clippings move through the deck more cleanly and efficiently, the blades cut the grass without any obstructions, leaving you with a pristine lawn.

### Fabricated Decks

The strength of the fabricated deck starts in the design and ends with unparalleled durability. Not only do you get the quality cut you expect from a Cub Cadet zero-turn mower, but you have the added durability to withstand tough jobs time after time.

### AeroForce Decks

With the durability of a fabricated deck and the superior air flow of a stamped deck, the fabricated AeroForce deck gives you an advanced option you won't find anywhere else. Designed for optimum air flow, it's a deck that delivers the cleanest cuts yet. AeroForce decks are available on all 46-, 50- and 54-inch decks on RZTs.

# CHOOSING THE RIGHT ZERO-TURN

## RZT® SX SERIES

- ▶ Ideal for mowing flat to hilly terrain up to 3 acres
- ▶ SynchroSteer® technology, tilted steering column and LED headlights
- ▶ Stamped or fabricated deck
- ▶ Cub Connect™ Bluetooth® technology (select models)
- ▶ Premium cushioned seat with armrests and increased stability and comfort
- ▶ 3-year limited warranty\*

## RZT® L/LX SERIES

- ▶ Ideal for mowing flat terrain up to 3 acres
- ▶ Adjustable lap bars with comfort grips
- ▶ Stamped or fabricated deck
- ▶ Cub Connect™ Bluetooth® technology (select models)
- ▶ Cub Comfort™ high-back seat
- ▶ 3-year limited warranty\*

## Z-FORCE® S/SX SERIES

- ▶ Ideal for mowing flat to hilly terrain up to 4 acres
- ▶ 94% overall consumer satisfaction rating
- ▶ SynchroSteer® technology
- ▶ High-back seat with armrests
- ▶ Heavy-duty frame and spindle covers
- ▶ Fabricated decks standard
- ▶ Adjustable steering
- ▶ 3- and 4-year limited warranty\*

## Z-FORCE® L/LX SERIES

- ▶ Ideal for mowing flat terrain up to 4 acres
- ▶ Oversized lap bars with comfort grips
- ▶ High-back seat with armrests
- ▶ Heavy-duty frame and spindle covers
- ▶ Fabricated decks standard
- ▶ 3- and 4-year limited warranty\*

### IMPRESSIVE RIDING MOWER

“You need this if you are at all considering buying a riding mower!”

William Antrim | RZT® S ZERO

CUSTOMER RATING ★★★★★

## RZT® SX ZERO-TURN RIDER

### RZT-S zero ELECTRIC ZERO-TURN RIDER

Built on the award-winning RZT® S platform, the ZERO is the world's only electric zero-turn with steering-wheel control and four-wheel steering. With zero engine noise, zero gasoline emissions, zero oil and filters, and zero belts to maintain, you'll have something else: zero worries. See more at [cubcadet.com](http://cubcadet.com).

# THE ZERO-TURN WITH ZERO LEARNING CURVE

Steering-wheel control makes this zero-turn rider easier to use than any other. Four-wheel control delivers incredible handling around obstacles and unmatched stability, so you can get the job done with your RZT SX up to 46% faster than a traditional Cub Cadet® lawn tractor.

- Comfort and Convenience**  
 Premium cushioned seat with armrests and increased stability and a tilted steering column adjust to your individual preferences for optimal comfort. The storage console and charging station allow you to take whatever you need with you while you mow. LED lights on your RZT SX mean you can see better longer, so any time can be the right time for the perfect cut.
- Performance**  
 Your machine is outfitted with its perfect engine that has undergone a rigorous certification process. Our 42-, 46- and 50-inch decks are equipped with a Cub Cadet EFI engine, while our 54-inch deck is matched with a Kawasaki® engine.
- Effortless Control**  
 Patented SynchroSteer® technology — pioneered by Cub Cadet — provides steering-wheel control of all four wheels for maneuverability. That means you can get the job done with exceptional stability on diverse terrain, including hills.
- Unbeatable Durability**  
 The Cub Cadet Triple Guard Corrosion Defense System™ with e-coat delivers automotive-grade corrosion resistance against the elements and wear and tear.

3 YEAR+ LIMITED WARRANTY

**RZT® L/LX**  
ZERO-TURN RIDER

# A STRONGER EXPERIENCE AT EVERY TURN

The RZT® L/LX Series combines the precision of responsive lap-bar controlled zero-turn handling with outstanding comfort. Thoughtful ergonomics come complete with convenient maintenance features — all designed to ensure that you're satisfied with your rider for the long run.

**Exclusively Available at Independent Dealers**  
The RZT LX packs a Premium Performance Package that includes a high-performance Kawasaki® FR engine, a cushioned high-back seat with armrests, advanced-traction rear tires and a SureStart Guarantee® high-output battery.

**Comfort and Convenience**  
A larger operator station, along with adjustable lap bars and a high-back seat, makes for the most comfortable riders out there. Plus, the Cub Connect™ Bluetooth® app makes it easy to maintain your rider. Available on select models.

**AeroForce Deck**  
Our AeroForce decks use advanced aerodynamics to give you the best cut. By optimizing airflow and maximizing suction, we have eliminated clumping during discharge and created a mower with a more thorough bagging performance. AeroForce decks are available on all 46-, 50- and 54-inch decks on RZTs.

**Unbeatable Durability**  
The Cub Cadet® Triple Guard Corrosion Defense System™ with e-coat delivers automotive-grade corrosion resistance against the elements and wear and tear.

**3 YEAR† LIMITED WARRANTY**

**GREAT FOR THE USER**  
“Everything that I was looking for in a rider — easy, comfortable, user-friendly!”  
Fixit | **RZT® L 54**  
**CUSTOMER RATING ★★★★★**

**Z-FORCE S/SX**  
ZERO-TURN RIDER

# PREMIUM UPGRADES. IMPRESSIVE PERFORMANCE.

Feature for feature, the Z-Force® S and SX give you more. You enjoy not only the confidence of car-like, steering-wheel control with four-wheel steering, but an impressive list of professional-quality upgrades. More comfortable. More powerful. More durable. And with a 94% overall customer satisfaction rating, it's just one more reason to plan for a satisfyingly full day caring for your property.

**Exclusively Available at Independent Dealers**  
The Z-Force SX is only available at independent retailers and includes a Premium Performance Package with features such as a high-performance Kawasaki® FR engine, an elasticity vibration-control suspension seat and twin fuel tanks.

- Amazing Comfort**  
From the moment you sit in the comfortable high-back seat, you'll know you're in for a great ride. Standard armrests, an adjustable steering column and the easy-lift deck height adjuster are just a few of the features that make this rider great for all-day operation.
- Incredible Strength**  
Cub Cadet-certified engines, fully welded full-length steel frames and tough fabricated decks with heavy-duty spindles deliver outstanding results year after year.
- Unbeatable Durability**  
The Cub Cadet® Triple Guard Corrosion Defense System™ with e-coat delivers automotive-grade corrosion resistance against the elements and wear and tear.

CUSTOMER RATING ★★★★★

**Z-FORCE® L/LX**  
ZERO-TURN RIDER

# STEP UP TO INCREDIBLE STRENGTH AND COMFORT

With an incredible combination of strength and comfort features, the Z-Force® L and LX are a force to be reckoned with. The smooth and seemingly effortless operation of a lap bar-driven zero-turn extends beyond your fingertips to a full range of features even the pros can appreciate.

### Exclusively Available at Independent Dealers

The Z-Force LX features a Premium Performance Package full of dealer exclusive upgrades, including a high-performance Kawasaki® FR engine, a high-back elasticity vibration-control suspension seat and twin fuel tanks.

#### Amazing Comfort

Comfortable high-back seat with standard armrests, oversized adjustable lap bars with full-length comfort grips, a roomy foot rest and an easy-lift deck height adjuster — all are designed for maximum comfort.

#### Incredible Strength

Cub Cadet-certified engines, fully welded full-length steel frames and tough fabricated decks with heavy-duty spindles deliver outstanding results year after year.

#### Unbeatable Durability

The Cub Cadet® Triple Guard Corrosion Defense System™ with e-coat delivers automotive-grade corrosion resistance against the elements and wear and tear.

## ATTACHMENTS & ACCESSORIES

# THE STRENGTH OF VERSATILITY

Dial up the versatility of your rider by adding hardworking attachments that let you tackle your landscape with confidence and ease, year after year.

### Bagger Systems

Enhance the Cub Cadet® Signature Cut™ with breakthrough bagging performance. Twin and triple bagger options are available to fit every tractor.

### Cub Cadet Hauler

Featuring four collapsible sides, the hauler can be folded flat for larger loads. Side access allows for easy unloading, and 10 cubic feet offer plenty of space. When folded flat, it takes up 70% less space than a typical cart.

### Snow Blade

Quick-adjust 46-inch snow blade easily changes from straight ahead to 25° for added versatility to clear snow and ice with ease. (Fits RZT® SX or Z-Force® S/SX.)

### Lawn Sweeper

This 44-inch lawn sweeper has a brush that picks up more while skipping less. A 25-cubic-foot hopper holds it all, and a dumping mechanism lets you easily empty even the largest loads without leaving the tractor's seat. With this offset design, you can both mow and sweep your lawn at the same time.

### Light Kit

High-illumination LEDs light up your mowing path and provide safer mower operation in low-visibility conditions for the ability to mow in early mornings or late evenings.
