

the ROOFTOP *Express*

The Rooftop Express Wild West Arena Spectacular Show to headline at the Sunshine Coast Mane Event 2017.

Roll Up Roll Up. This is the year to take your seats at the Shine Coast RDA indoor arena for an interactive animal stunt show that is a must see for all horse lovers.

The Rooftop Express is a first class arena show that features world first stunts, true blue Australian comedy and awe-inspiring horsemanship. A must see for anyone who has ever wanted to put on a cowboy hat.

With a highly refined and visually enchanting story this show takes horse-play to a new level. As a special feature of the 2017 Mane Event join the boys and girls from the bush as they invite you to share in this interactive show and laugh with them as they show you what is possible with horses, cattle and working dogs.

Rooftop show creator and industry identity Dave Manchon will include an all star line up of horses that will include some of the most credentialed and highest money earning performance horses in Australia.

Please peruse our promotional teasers for your consideration:

I look forward bringing this world-class production to the Sunshine Coast RDA and working with you to enable The Rooftop Express Show to compliment the Mane Event experience. I can be contacted directly for comment by all media partners.

The lead performers and animal stars are available for television, radio and photo opportunities.

Kind regards,

David Manchon
