Your Sponsorship will help Sunshine Coast Riding for the Disabled

*We need your help to ensure the success of **The Sunshine Coast Mane Event** and so we are offering you this unique opportunity to promote your business.*

All the programs at Sunshine Coast RDA are run by volunteers who regularly give their time to assist those in our community who experience disability. They are not paid in cash but in buckets of smiles as they witness the achievements, growth and development of each and every RDA participant. Tears are often shed quietly as volunteers watch the magic happen. We know the equestrian programs we run help people and we are committed to expanding our services, to reach out to more community members who need this type of support.

***The Sunshine Coast Mane Event** is also run by volunteers who come from all walks of life bringing with them the many skills needed to produce a successful outcome for the organisation they are so passionate about.*

We hope you too will become passionate about our cause and become a sponsor of this very worthwhile and exciting event.
