The College of Banking and Financial Studies (CBFS)

The College was established by a Royal Decree in 1983, under the juristic supervision of the Central Bank of Oman (CBO). The College is a leading Higher Education Institution for teaching, training and research in banking and financial studies. It is committed to offering academic and training courses that are tailor-made for the emerging needs of Oman with the objectives of educating and training Omanis and encouraging research in Banking and Finance.

CONSULTANCY

Tawafuq Consultancy, Malaysia

Tawafuq Consultancy, a Malaysian company based in Kuala Lumpur, is licensed by the Malaysian Securities Commission as a Shariah adviser to advise on Sukuk (Islamic bonds) issuance and investment funds. The firm organizes conferences and provides consultancy, research, training & professional services in the areas of Islamic Banking, Capital Market, Islamic Wealth Management (IWM) and Takaful.

Vision

The forum will be held to discuss the challenges facing Islamic finance and propose means to increase its effectiveness in supporting beneficiaries and economic development.

Forum's Objectives

- To discuss the importance and role of Islamic finance in economic development.
- To expand cooperation and exchange of expertise among specialists in the field of Islamic finance.
- To identify the challenges and obstacles that hinder the growth and prosperity of Islamic finance, and propose solutions to them.
- To acquire knowledge of international experiences in the field of Islamic finance.
- To propose solutions that will further develop and improve Islamic finance and increase its effectiveness in supporting the national economy.

Target Audience

- Members of Shariah boards, legal advisors and legal departments in Islamic banking and financial institutions
- Faculty members, university students, faculties of Shari'ah, law, Islamic economic and finance and administrative sciences, writers and researchers in this field
- Government agencies and institutions involved in Islamic banking
