## Volunteer Luncheon

**Friday, April 13 11:30**

***You Are Our Hearts and Hands***

We are hoping that you will join us for a delicious lunch catered by El Gato Azul, a fun raffle drawing and, of course, honoring all of you who have been volunteering for 5, 10, 15 and 20 years!

This is a wonderful opportunity to meet and visit with other volunteers and just have a great time.

***Remember to RSVP by Tuesday, April 3.***

### Welcome Jacque Gorman Community Partnership Coordinator

Jacque just started in this brand new position. She will be working with civic and faith organizations and community groups speaking with them about who we are, what we do and why we do what we do as People Who Care launches our 26th year in May. Jacque is eager to get out into the community and we know she will do a dynamite job with her boundless energy and excitement

### A Fond Farewell to Sallie Stewart Prescott Valley/Dewey Program Manager

Sallie started three years ago as the first Program Manager for our new office in Prescott Valley. She successfully managed a significant increase in Neighbor enrollment with a limited but dedicated volunteer base.

Sallie's beautiful smile and her generous spirit will certainly be missed by all of the Neighbors and volunteers in Prescott Valley and Dewey and by all of her staff member friends.

### Welcome Mari Conner New Prescott Valley/Dewey Program Manager

Mari has been working in the Prescott Office for a little over a year as a Program Assistant managing the Project Safe Home Program, helping with grant reports and with Neighbor-volunteer assignment scheduling.

Mari brings her medical experience working as an Administrative Assistant at the University of Arizona and her contagious joy to this position.

**REMINDER** Please ask the Neighbor that you are assisting to let you know if and when they need your help and listen and respect their wishes when they tell you that they don't want or need your help.
