

The 2019 Upstate New York Wine Tour

Now: *all wine, all the
time!*

2019 ...All about the wine!

Hello and welcome to the 2019 Upstate New York Wine Tour. After years of incorporating Wine Festivals and Craft Beer Festivals into one event we have made the **decision to cease the craft beer festival portion** of these events. All of our events will be **strictly Wine Festivals**. In the past we had to market 2 different events. Each event had its own advertising and marketing. Moving forward all of our resources will be used to promote the wine festivals. You will notice an increase in attendance.

There are **more events coming**. One is possible in **Western New York** and we are negotiating to host an event in **Manhattan**. Now that we can focus on one festival instead of two we can innovate more. Imagine if you were running two wineries at once. That's what we've been doing. No more.

We're looking forward to a record year in 2019. Let's work together to grow both of our businesses.
