Swim Lessons

Learning to swim is something everyone should know how to do. It is an excellent skill to have! For the past few years, Rocky Ledge has been known as a family facility. Many of the current members here grew up with this place and some even learned how to swim here! Why not have your child do the same!

Here at Rocky Ledge, we offer private swim lessons, for those between the ages of 6 months to adulthood. Among our staff we have dedicated lifeguards and certified swim instructors who are able to do lessons that not only fit your schedule, but also your needs.

Beginning at your convenience, Rocky Ledge offers lessons that are 30 mins each and the prices vary depending on what kind of lesson you want. Payment methods are either cash or check made out to cash. The prices for each lesson are as follows:

- A. **Private lesson (1 person):** \$25.00
- B. **Semi-private lesson (2 people):** \$40.00 (\$20.00 per person)
- C. **Group lesson (3+):** \$15.00 per person

In order to begin any sort of lesson, please go to the managers office, request and fill out the appropriate form, depending on which type of lesson you choose (either A, B or C), submit it and the manager will get back to you as soon as possible via email or phone call to begin scheduling your lessons!!
