COACHES EMERGENCY PROCEDURES

1. Evaluate athlete at the location, obtain the best medical advice available at the time.
2. If emergency treatment is necessary, call for transport. Make sure to ascertain the location of hospital/medical center where injured athlete is being taken.
3. An assistant coach, head coach, or adult should always accompany the injured athlete.
4. Notify parents as soon as possible of injury or transport. (Whenever possible, do immediately).
5. Send emergency card with athlete.
6. At the conclusion of the contest, make sure that arrangements have been made for the injured athlete to get home.
