

NEW! Spring 2019

SUPER RUN

Every student in your school will get to participate in our fun, exciting SUPER RUN. Let us do the work while you keep 75% of all pledges—which means you make MORE MONEY!

- ◆ All students participate—even if they don't turn in pledges. It's a school-wide activity to promote fitness and FUN, while earning needed school funds.
- ◆ We provide motivating videos to be shown in class to promote SUPER HERO characteristics— we won't take too much time away from important classroom teaching.
- ◆ Our SUPER RUN program can be customized to fit your school's schedule and needs.
- ◆ SUPER RUN can take place inside or outside, so weather won't stop the fun!
- ◆ Parents and supporters across the country can donate ONLINE (or by check). All funds go into YOUR special account—we will invoice you at the end of the SUPER RUN so you are in control of the money
- ◆ Your SUPER RUN Event will be SUPER FUN! We will have Music, Super Hero appearances, Finish Line tunnels and more!

Let us show you how to earn MORE MONEY and have MORE FUN with SUPER RUN!
