

## Privacy Statement

The **Kanku Karate Club** site does not automatically capture or store personal information, other than logging the user's **IP address** and session info such as the duration of the visit and the type of browser used. This is recognised by the **Web server** and is only used for system administration and to provide statistics which the Kanku Karate Club uses to evaluate use of the site.

We do not use **cookies** for collecting user information from the site.

You will be asked for personal information if you want to request a leaflet via our website. We will only use the personal information you provide to deliver this service to you.

This privacy policy only covers the Kanku Karate Club Website at <http://www.kanku.org/> / Other links within this site to other websites are not covered by this policy.

## Summary of terms

### Browser

Used to locate and display Web pages via a software application. The most popular ones are Netscape Navigator and Microsoft Internet Explorer.

### Cookie

Message given to a web **browser** by a **web server**. The message is then stored by the browser in a text file called *cookie.txt*. Each time the browser requests a page from the server, this message is sent back. A cookie's main objective is to identify users and personalise their visit by customising web pages for them for example by welcoming them by name next time they visit the same site. A site using cookies will usually invite you to provide personal information such as your name, e-mail address and interests.

### IP (Internet Protocol)

All networks connected to the internet speak IP, the technical standard which allows data to be transmitted between two devices. **TCP/IP** (Transmission Control Protocol/Internet Protocol) is responsible for making sure messages get from one host to another and that the messages are understood.

### IP address

If you are connected to the Internet you have one, for example it may look something like this 198.184.98.9

### Web Server

Delivers (serves up) web pages to your computer.
