The above information is accurate and true to the best of my knowledge. If there are any changes in my current level of health, I will inform the proper health care providers of my condition. I understand that the massage therapist does not diagnose illness or disease, does not prescribe medications, and that spinal manipulations are not part of massage therapy. If, for any reason cancellation is necessary, I will give a 24-hour notice. I understand that if I do not give this notice, I will be charged for the appointment unless it can be filled. Emergency cancellations will be determined by my therapist.
