## Milaca's Bluegrass Festival & Art Fair Camping Rules & Guidelines

---

### REC FEST CAMPER'S CREED

1. I will be a friendly, considerate camper and have patience and tolerance for my fellow campers and neighbors.
2. I will park my camper or tent within my designated area and not use more than 25x25 feet. (Allowances made for extra large RVs and buses.)
3. I will park my vehicle perpendicular to the road to conserve space.
4. I will not allow my pet to become a disturbance to other attendees and understand that if they do, my pet will need to leave. No dogs allowed in bandshell or food area.
5. I will make no campfires unless in a designated area or in an off-ground pit or bowl. I will not leave any fires unattended and I will be certain to have a fire extinguisher available. I will cook using a camp stove or grill and not over an open fire.
6. I will use garbage and recycling bins as marked and promise to keep my campsite clean, neat, and free of debris.
7. I will not smoke in concert areas, arts & crafts tents, food service areas or jam/workshop tents, and will dispose of cigarette butts properly.
8. I will not use amplification for my instruments or play recorded music loudly.
9. I will not use glass. Broken glass and barefoot people do not mix.
10. I will use porta-potties and public restrooms, and dispose of personal waste appropriately.
11. I will inform RECFEST officials of anything or anybody needing attention.
12. I will practice the "Golden Rule" and may even perform random acts of kindness!
13. Must conform to all city and park rules.

*NOTE: Generators should only be run from 9-11 am and 5-7 pm.*

### **SEATING IN CONCERT AREA:**

- Seating in concert area is on a first-come, first-served basis.
- Bring your own seating. Please do not block the view of others with high-backed chairs or sunbrellas in the main seating area. Sunbrellas and high-back chairs are allowed along the outside perimeter of the Bandshell Stage seating area – look for the signs designating the sunbrella area.
- You can leave your chair in place all weekend, but if you leave your chair for a time, REC FEST says it's fair to share your chair until you return.
