

BLUE ROCK CHRISTIAN CAMP

*P.O. Box 614
Geneva, Ohio 44041*

July 21, 2017

To our friends and partners in Christ,

Greetings in the name of our Savior and Lord Jesus Christ in whom our hope and salvation rests. We thank God for Blue Rock Christian Camp and for the ministry it has for Gods people.

The Blue Rock Board of Director's have made the decision to upgrade the lodge restrooms, add storage, and a place for the camp cook to sleep. Along with this upgrade we are planning to install vinyl siding on the outside and new lighting on the inside along with cosmetic improvements to the lodge. New windows and doors have already been installed. The improvements are needed because of the age of the building and structural issue that need to be addressed.

We are budgeting \$ 180,000.00 for the turn key construction of the building. This means that 90% of the building project will be by outside contractors. We are going this direction because of the critical need for this to be completed before the camping season begins. We are planning on beginning this project on September 10th 2018 and have it ready by the 2019 camping season. This gives us time to finalize the addition design, hire the contractors, and get funding in place before construction begins.

Your generosity in the past has given us the opportunity to improve the camp over the years and make it safer and enhance the camping experience. If you are currently giving to the camp, thank you. If you aren't currently giving or can contribute to the project, please prayerfully consider giving to the camp for this important project to benefit the churches and youth of our area.

Prayerfully consider how you can help with a onetime gift, or a commitment to give a certain amount each month for a year. Our goal is to have the project funded by July 31st 2018. If you can make a monthly commitment please complete the attached page so that we can plan accordingly. If you do not want to make a monthly commitment but would like to donate to the project, complete the page as well.

Above all please pray to our Father in heaven that Blue Rock Camp will continue to impact the lives of those who come to camp and that this project will be full funded.

For additional information, please contact one of the two individuals listed below.
