

Alberta Gold Prospectors Association

Greetings,

April 30, 2017

I am writing this request for donation, in an attempt to help our Canadian team get to the World Competition held in Moffat Scotland, August 6-13, 2017. The World Gold Panning Championships are not well known in Canada, but are very popular in other countries. There is television coverage involving interviews and in many cases the events are live streamed to the public. This was the case last year, when they were held in Placerville California.

Our goal is to raise approximately \$60,000.00 each year to help mitigate transportation costs for the Canadian gold panning team. (competition this year is in Scotland)

A \$100 donation will earn our thanks, a receipt and a small vial with 20 flakes of Yukon gold

A \$500 donation will earn our thanks, a receipt and a small vial with 20 flakes of Yukon gold plus a personal and or family gold panning lesson with Robin Rosborough (one of the top gold panners in Canada)

A \$1000 donation will earn our thanks, a receipt and a small vial with 20 flakes of Yukon gold plus a personal and or family gold panning lesson with Robin Rosborough, plus your corporate logo will be displayed throughout the competition and in any television interviews.

A \$3000 donation will earn our thanks, a receipt and a small vial with 20 flakes of Yukon gold plus a personal and/or family gold panning lesson with Robin Rosborough, plus your corporate logo will be displayed throughout the competition and any television interviews and you will become the sponsor of (or you can adopt) one competitor. Your company will also receive ongoing promotion in our newsletter.

At this outstanding support level, we will create a customized presentation about prospecting and present it to your group at a corporate event, such as a convention or retreat.

All details for panning lessons or customized presentation can be worked out with Robin Rosborough contact number is 780-700-1954, or by contacting the President of the Alberta Gold Prospectors Assoc. at agpapresident@shaw.ca Information about our club can be found on our web site at www.agpa.ca Please look at the enclosed brochure, which outlines the scope of the competition.

Thank you for your consideration.
