Course Speakers:

Cyndy Harrison: Certified in Health Care Compliance, Senior Compliance Specialist. Cyndy Harrison has been a compliance and privacy professional for over 25 years working in both the health plan and healthcare delivery settings serving in various roles. Her current professional responsibilities focus on compliance and privacy education and investigations. She is certified in Health Care Compliance since 2011 and in Health Care Privacy Compliance since 2014. Cyndy has a Masters of Public Administration: Health Administration from Portland State University and a Bachelor of Arts in Psychology from the University of Oregon.

Course Speakers continued:

Lisa Jensen, MHL, FACMPE, CPC

Lisa is the Director of Payment Integrity (SIU) at Providence Health Plans in Beaverton, OR. Lisa has a Master's Degree in Healthcare Business Leadership. She is a Certified Professional Coder (CPC) since 1996 and a Fellow in the American College of Medical Practice Executives (FACMPE) since 2008. She has had the good fortune to spend much of her over 25 year healthcare career educating colleagues on coding, revenue cycle improvement and compliance. She has a broad range of healthcare experiences in small physician's clinics, multi-practice medical/surgical practices, a large teaching hospital, compliance consulting, and a medium-size health plan. Lisa is a national speaker at conferences and seminars regarding healthcare reimbursement, and coding skills.

Leanne Park, RN, BSN, JD, CPHRM, Manager, Risk Management

As a nurse attorney, Leanne has extensive experience as a clinician and consultant. A lifelong patient advocate, Leanne enjoys sharing her expertise to promote quality improvement, patient safety, and clinical risk management. Leanne is a registered nurse; licensed in Washington and Oregon. She earned her Associates Degree in Nursing at Rogue Community College and her Bachelors in Nursing from Linfield College. After several years practicing cardiac and intensive care nursing, she obtained her law degree at Gonzaga School of Law. Since becoming an attorney, Leanne has worked in risk management and patient safety roles for University of Washington, Virginia Mason, and Providence Health & Services. She recently returned to Oregon and is currently the Manager of Risk Management for Asante Health System in Medford, OR.

Ken DeVane, BS Mechanical Engineering, MBA, & MS Management Science, ASQ Certified Six Sigma Black Belt, Silver Level Lean certification. Performance Improvement Consultant, Office of the Dean in the School of Medicine, OHSU

The talk will provide an overview of the use of control charts and how an understanding of the theory of variation enables more productive and effective improvement and problem-solving work.
