

Dear Parents,

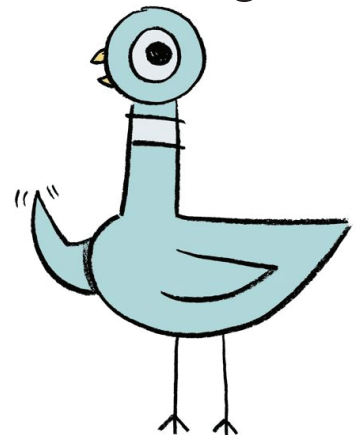

Hello! My name is Miss Caitlin and I am very excited to be joining the B.E.S.T. Learning Center team! I am a graduate of St. Joseph's College, with four certifications in ages birth to sixth grade for education and special education. Our assistant teacher is Miss Karen. Our classroom name is the Perky Pigeons after the loveable Mo Willems character.

We are eager to meet your child and delighted by the honor of helping them grow into independent young learners. Our class will be exploring letter and their sounds, the numbers 0-20, and sight words through multi-sensory play and learning. To help achieve our goals each week will be filled with hands-on activities, science and art projects, as well as cooking.

Monthly newsletters will be sent home to keep you informed of activities and events. All info will be posted outside our door in the "Parents Corner" as well. We have attached a supply list with everything your child will need to begin the school year. We look forward to meeting you at "Meet the Teacher" orientation on August 31st. This year will be filled with new independence and increasing abilities for your child!

Sincerely,  
Miss Caitlin  
&  
Miss Karen
