

Welcome to the Lovable Lions

Dear Students,

Hi! My name is Miss Danielle and I am so excited to be your teacher this year! Our class name is the Lovable Lions and our class will be in Room 5. Miss Cathy is our Assistant teacher this year and she is so excited to meet you too!

I have so many fun things planned for you this year!! We are going to learn about the letters of the alphabet and numbers 1-20. We are also going to learn how to write and even practice reading!! I have a lot of awesome projects planned for us to make so I hope you like to paint, color, cut and glue! We will do some cooking projects, science experiments AND even have some dress up days throughout the year! I have a few fun field trips planned for us this year and some really cool toys for you to play with in the classroom!

I can't wait to meet you and begin the school year! You are going to make so many new friends this year! It is going to be so much fun!!

Enjoy the rest of your summer!!

☺ I will see you soon! ☺

Miss Danielle

Welcome to the Lovable Lions

Dear Parents,

Welcome back to school! My name is Miss Danielle and I am thrilled to be your child's Pre-K teacher for the 2017-2018 school year! I am a New York State certified teacher and this is my 9th year working at B.E.S.T. Learning Center. Our class name is the Lovable Lions and our Assistant Teacher is Miss Cathy.

This school year will be filled with lots of fun and learning! Throughout the year we will be learning how to identify and write the letters of the alphabet, each child's first and last name, and numbers 1-20. Each week we will learn a new letter and number, including letter sounds to help prepare for reading. These skills will also be reinforced through homework that is sent home once a week. We will achieve all of these goals through hands on activities, science projects, art projects, cooking, and other fun filled activities.

Our class will also have Show and Tell every week. Each child will be assigned a specific day of the week to bring in an item to share with the class. On the first day of school, every child can bring in an item to share. It can be something that symbolizes what they did over the summer or something that is special to them. This is a great ice breaker and a good way for us all to learn a little bit more about each other.

A monthly newsletter will be sent home at the beginning of each month to give you a glimpse of what we are doing in the classroom and to highlight important dates and events for the month. Please also remember to check the "Parent's Corner" outside our classroom door regularly!

Attached you will find our class supply list... **Please label all items with your child's first and last name and bring them to our "Meet the Teacher" orientation!!** I am looking forward to meeting you and your child and I am very excited to begin a fun and educational school year. I plan to provide a nurturing and stimulating learning environment to ensure all of the children in my class grow socially and academically. If you have any questions or concerns, now or throughout the year, please do not hesitate to contact me!

Enjoy the rest of your summer!! ☺

Sincerely,

Miss Danielle
