

Dear Parents,

Welcome to the Lovable Ladybugs class family and the new school year! I am Miss Lauren and I will be your child's teacher. Miss Randi will be assisting us in the classroom throughout the school year. This will be our 4th year working together and we both enjoy making our classroom a fun and loving environment for the children.

I am delighted to have your child in my class this year. I am dedicated to providing a safe and cooperative learning environment that allows all students to grow academically and personally. With your encouragement, your child will be a part of many exciting and rewarding experiences this school year.

My classroom is a play-based environment where children can explore, experiment, discover and solve problems in playful ways. Your child will be learning letter recognition, phonics, numbers, beginning math skills and how to write their first and last name all through fun, hands on activities in the classroom. Homework will be sent home monthly and is meant to be a fun connection between school and home. Homework is encouraged to be completed as a family.

I believe that having a good home-school connection is key to your child's success. I will be sending home monthly newsletters which will provide you with information on what we are learning, upcoming events and important notifications. I will also be using Remind as a way to communicate with all of my class parents. You can join our class discussion by following this link:

You will find a classroom supply list attached to this letter. Please be sure to bring all supplies with you to Meet the Teacher night on August 30th. Please be sure that all specified items are labeled with your child's first and last name.

I am looking forward to our working together to make this a successful school year! Please feel free to contact me should you have any questions and/or concerns regarding your child's Pre-K experience.

Sincerely,

Miss Lauren

Dear Students,

It's almost time to come to Pre-K and I am so excited to meet you! I am Miss Lauren and I have lots of fun planned for us this year.

We are going to have a great time together. We will sing songs and read stories, make projects and learn so many wonderful new things. We will even get to go on some fun class field trips together! Of course there will be lots of other new friends who will be waiting to play and learn with you, too.

Our classroom is all set up with exciting things to do and see, and I can't wait to get started! I know that the fun will not begin until you are here, so I will be waiting for you to arrive to being a super fun year!

See you soon!

Miss Lauren
