Favorite Hobbies: _____

Favorite Television Shows: _____

Who Lives in Your Child's Home?: _____

Siblings (Names & Ages): _____

Please use the following lines to describe your child. Please take your time to fill me in on your child's personality and anything you would like me to know to help make your child's year a successful one.

Dear Parents,

I would like to welcome you to a new school year at B.E.S.T Learning Center. My name is Miss Annemarie and this is my third-year teaching here at B.E.S.T. Prior to this school year, I was a nursery school teacher and a “Mommy & Me” instructor. I have a bachelor’s degree in Elementary Education and have completed specialized courses in Early Childhood Education. When I applied to the B.E.S.T Learning Center, I knew right away I wanted to teach here. The warm, patient, fun and caring environment is something I look forward to fostering in your child’s classroom.

I am so excited to have your child in my class this year. I am dedicated to providing a safe and cooperative learning environment that allows each child to grow academically and socially.

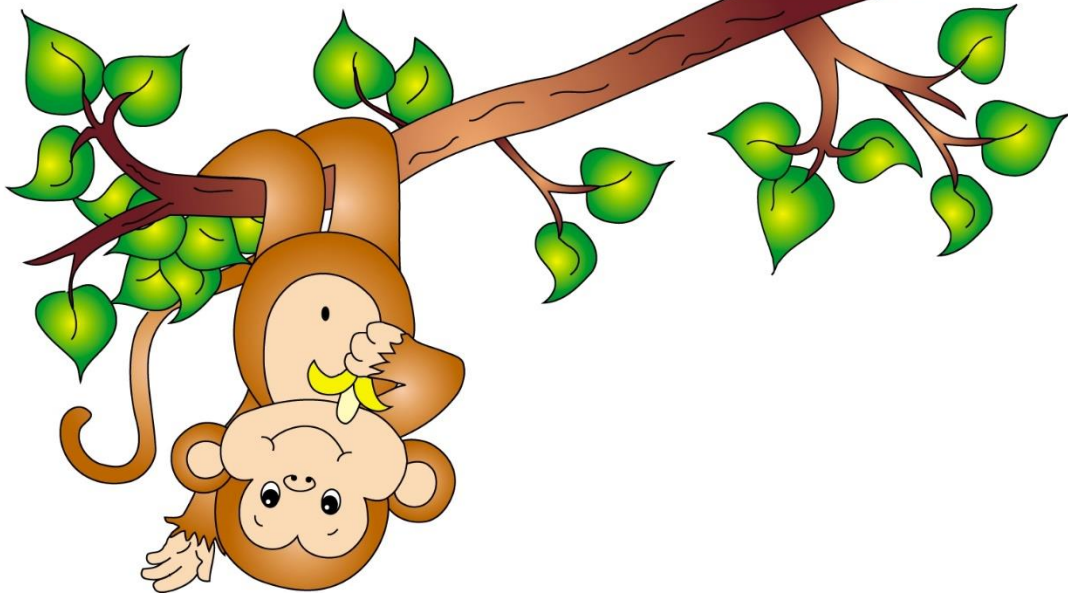

This year you can look forward to a curriculum that will help prepare your child for Kindergarten. We will follow a variety of themes throughout the year that will ensure that your child will have an enjoyable and successful learning experience. Your child will be learning letter recognition, phonics, numbers, beginning math skills, and writing his/her first and last name. During the first few weeks of school, we will be focusing on getting to know your child. We want your child to feel comfortable in his/her surroundings allowing him/her to develop security and confidence. The Marvelous Monkey’s classroom uses a philosophy of learning that includes hands-on activities, the use of manipulatives and having fun while learning. Homework will be sent home weekly and it is meant to be a valuable connection between what we are learning in class and reinforcing the skill at home. Homework is encouraged to be completed as a family, if possible.

I believe that in order to ensure a successful school year there needs to be a good connection between home and school. I will be sending home monthly newsletters which will provide you with information on what we are learning, upcoming events, and important notifications. I will also be using the Remind App as a way to communicate with all of my class parents.

I can’t wait to meet you and your child. If you have any questions or concerns now or throughout the year, please do not hesitate to contact me at any time. I am looking forward to a fun and exciting Pre-K experience with your child.

Sincerely,

Miss Annemarie

Dear Students,

It is almost time to begin Pre-K and I am so excited to meet you! I am Miss Annemarie and I have lots of fun activities planned for us this year.

I hope you like to sing songs, read stories, make art projects, cook, learn how to write and read new sight words because those are just some of the wonderful activities that I have planned for us.

I can't wait to be with you and your friends so we can learn and play together. Our classroom is all set up and waiting for you. Get ready for a fun-filled Pre-K year that is full of new experiences, learning, playing, field trips, surprise visitors and many fun-filled themed days.

The Marvelous Monkey Bunch won't be able to swing from the vine without you. I can't wait for the school year to begin!

Enjoy the rest of your summer!

See You Soon

Miss Annemarie
