

Dear Fabulous Frog Families,

I would like to welcome you to the 2019-2020 school year at B.E.S.T Learning Center! My name is Miss Stephanie and this coming school year will be my third year at B.E.S.T. Prior to my time here, I worked as an English teacher in the William Floyd School District. I have a Bachelor's Degree in secondary education with a concentration in English and a Master's Degree in adolescent literature. While obtaining my degrees, I worked as a nursery school teacher at Tutor Time for 2 years. While on leave with my children, I decided to come back to my roots and my love of the twos! I am very excited to be working with your children this year!

This year we will work with your little ones in a warm, patient, fun and caring environment. We will follow a curriculum that includes fun and educational activities. Throughout the year, we will employ various themes to ensure that the children have an enjoyable and successful learning experience. We will be focusing on getting to know your child and making sure they are comfortable in their new surroundings. Our daily schedule will follow the same routine to build security and confidence, by knowing what to expect each day.

We will begin by introducing the children to the letters of the alphabet and focusing on numbers 1-10. One letter and number will be highlighted each week, while the children learn them through hands on activities. In addition, we will be teaching shapes, colors, gross/fine motor skills and most importantly socialization and imaginative play!

I am looking forward to meeting you and your children soon! Enjoy the rest of your summer!

Sincerely,

Miss Stephanie
